## MILK THE COW

Mrs Felton has found this fun activity! Why not have a go...

Mix a tiny bit of white paint with water and pour it into a clear latex glove and close it off with a rubber band. Draw on a few spots to make it more cow-like, then with it positioned over a cup, poke a tiny hole in the "udders" with the smallest needle you can find. Happy Milking!

**Keep it simple!** Set up your own farm at home with the toys you have. Let the children use their imagination and sing away whilst you enjoy a cup of tea.

## Get Creative!

Make your own paper plate animals using what you have at the back of the cupboards.

Old MacDonald had a farm, E-I-E-I-O,  
And on his farm he had a cow, E-I-E-I-O,  
With a moo-moo here and a moo-moo there,  
Here a moo,  
there a moo,  
everywhere moo-moo,  
Old MacDonald had a farm, E-I-E-I-O.

Old MacDonald had a farm, E-I-E-I-O,  
And on his farm he had a pig, E-I-E-I-O,  
With an oink-oink here and an oink-oink there,  
Here an oink,  
there an oink,  
everywhere oink-oink,  
Old MacDonald had a farm, E-I-E-I-O.

Old MacDonald had a farm, E-I-E-I-O,  
And on his farm he had a duck, E-I-E-I-O,  
With a moo-moo here and a quack-quack there,  
Here a quack,  
there a quack,  
everywhere quack-quack,  
Old MacDonald had a farm, E-I-E-I-O.

Old MacDonald had a farm, E-I-E-I-O,  
And on his farm he had a horse, E-I-E-I-O,  
With a neigh-neigh here and a neigh-neigh there,  
Here a neigh,  
there a neigh,  
everywhere neigh-neigh,  
Old MacDonald had a farm, E-I-E-I-O.

## Phonics!

Which animal begins with c sound?

What sound does duck begin with?

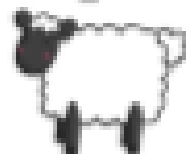

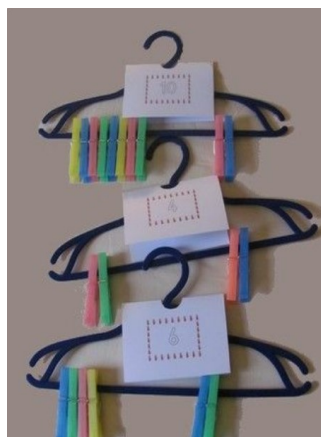

What rhymes with hen?

## Counting

This is a great idea.

Attach a number to the top of a coat hanger and then ask your child to peg the correct number of clothes pegs to the counter. You could discuss one more, one less, what two numbers make the number, the possibilities are endless!

It will also strengthen the fingers and help develop their pencil grip.

# Trains and Tractors Board

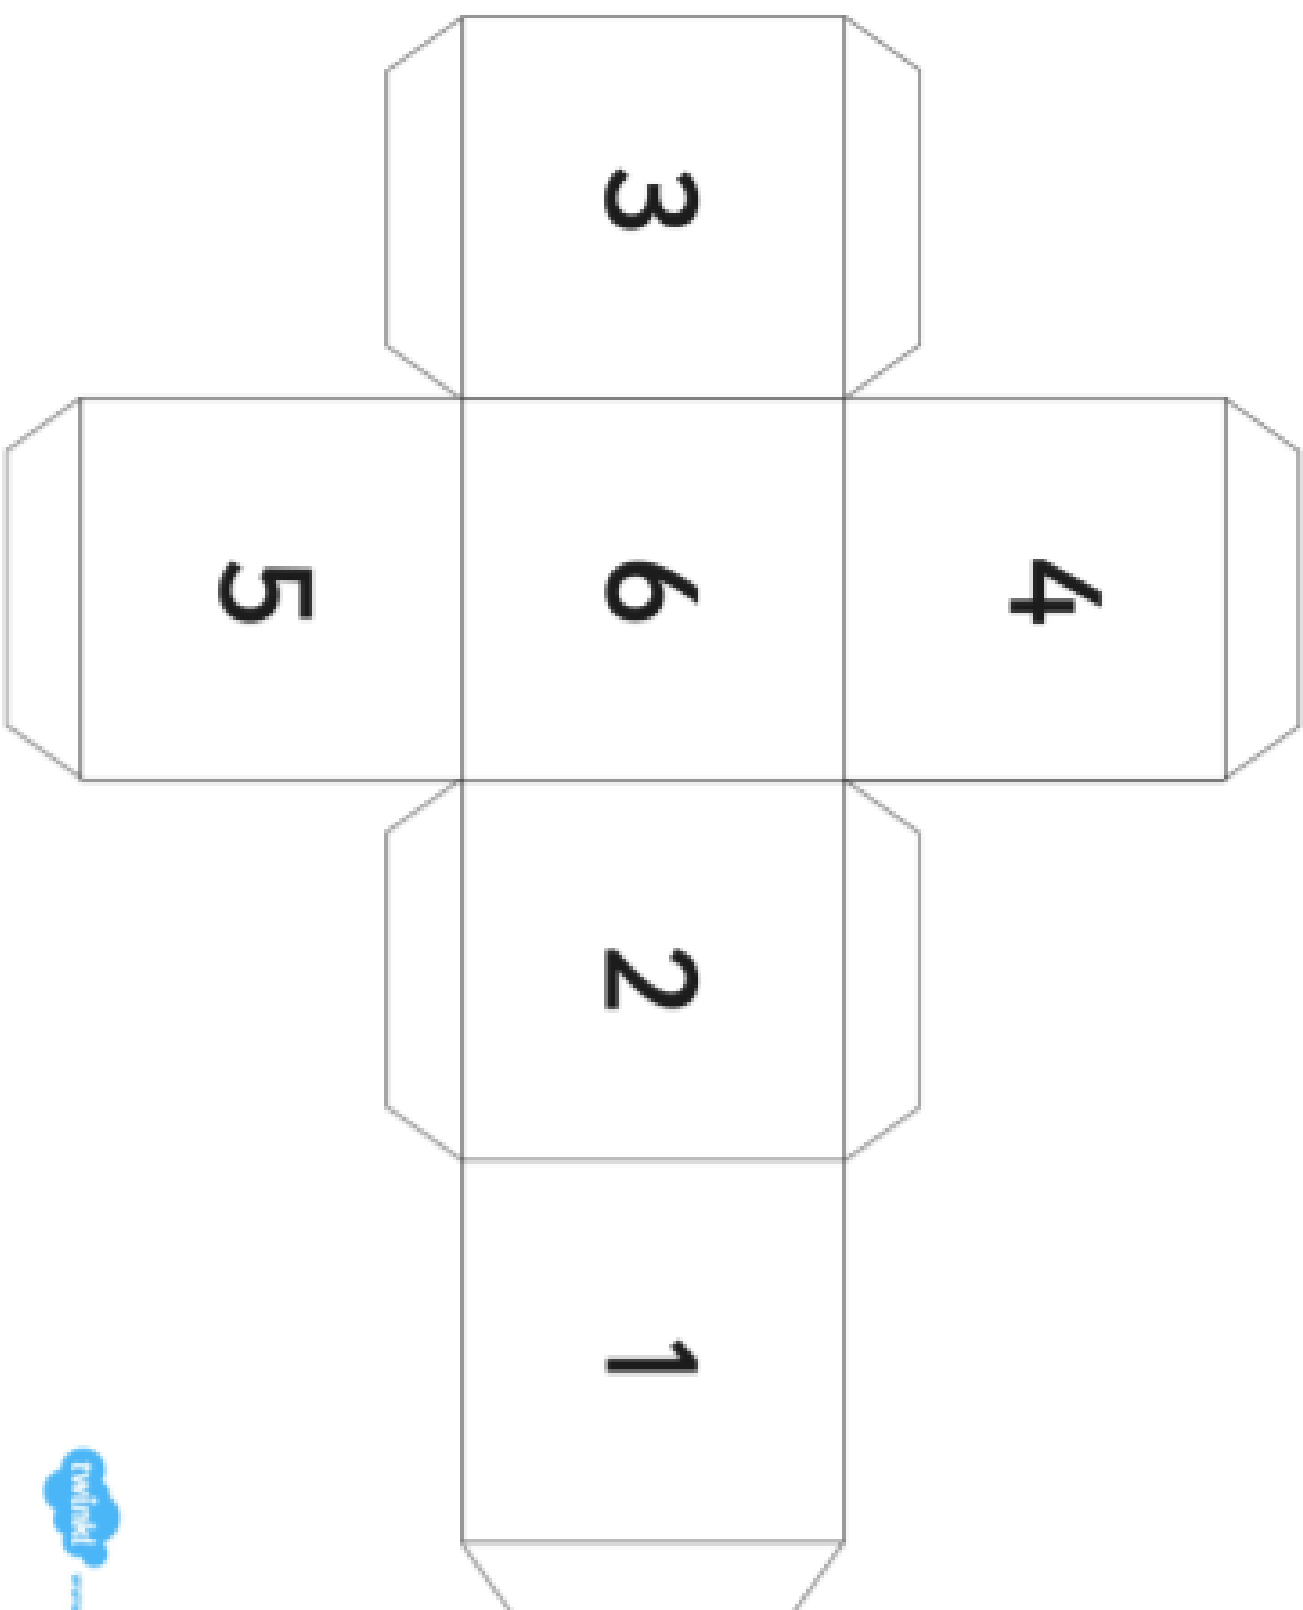

Rules- Roll the dice and move the number of squares which slide down to the bottom of the track, if you land on a tree

## Game

you have rolled. If you land on the top of a train track you  
 ilder you move to the top of the tractor. First to finish wins!
