Limas

Our menu is designed for sharing.

Our freshly prepared small plates are made to be enjoyed together, giving you the chance to explore a variety of flavours and ingredients around the table.

*We recommend around **6 plates per couple** for the full experience.*
Every dish is cooked fresh to order and served as soon as it's ready. As dishes cook at different rates, some plates may arrive sooner than others — all part of the relaxed, social style of dining at Limas.
