

Our menu is designed for sharing.

Our freshly prepared small plates are made to be enjoyed together, giving you the chance to explore a variety of flavours and ingredients around the table.

We recommend around **6 plates per couple** for the full experience.

Every dish is cooked fresh to order and served as soon as it's ready. As dishes cook at different rates, some plates may arrive sooner than others – all part of the relaxed, social style of dining at Limas.
