Relationship Beyond Business-ship!

THINKLE HUB COMMUNITY

Moto: To guide college students to do their college mini project & final year project by their own.

THINKLE HUB

SM PROJECT MANAGEMENT FOR
ASPIRANTS

We give you place for fabrication and building your prototype. Along with that, we assist you with iDEA development, product design, safety standards, usage of machinery, Raw Materials etc.

In-House Facilities,

Welding Units (200Amps & 400Amps), Acetylene Cutting Torch, Grinding Motors, Cutting Motors, Material Handling Crane, Pickup Vehicle, Workbench... Materials – MS pipes, Channels, I-Beams, MS Plates etc...

To access the platform, the candidate should be a student of SM Trade School (This is because, they will teach you the material handling, Safety orientations etc...)

Charge of Rs.150/- per person for one day will be applicable for accessing THINKLE HUB platform.

Timing: 10.00 Am to 4.00pm.

Entire Thinkle Hub is Funded & Controlled by SM Research & Development Wing under
Vairamanivel Murugesan (Operational Head – SM Trade School)
(Reff: SM/#4512526_2023)

SM GROUP OF COMPANIES
