

EARTH MOTHER ENTERTAINMENT

Karen Abercrombie
Producer/Actress
(Present Day Edna Washington)

Karen is a multi-award-winning stage, film and TV actress and film producer.

Karen's most notable role to date is Miss Clara from the Kendrick Brothers film "War Room".

She has received critical acclaim and numerous awards for a role that she played in the film "Discarded Things", which happens to be the first film that she produced.

"Discarded Things" is currently playing on Pure Flix, and has global distribution.
