

Men's Club Members can check in and pay for tournaments using our new app if they wish and we would encourage. Here are some details for using the app for check in;

- 1-The entry fee is included in the fee. \$75 walking \$94 riding. When checking in it does not show a breakdown of what you're paying just the total.
- 2- The default is set to riding. If a player wants to walk they would need to call and let us know prior to checking in. We need to make an adjustment on the tee sheet on our end.
- 3- As of right now, there is no functionality to include any other purchase such as range balls, etc. so that would be another communication/transaction with the Pro Shop.
- 4- AFTER checking in, riders can simply proceed downstairs to pick up their cart.
- 5- Checking in with the app will not work for Gold Annual Members. They will need to pay their entry fee through the Pro Shop.

If you would like to send a communication to the membership I have also included the QR Code to easily obtain the app from the appropriate store.
