Unfinished Business: Quit Claim Discussion

The following points were raised:

- Three requests have been made for fee simple Quit Claims (143 Deer Drive, 589 Beech Drive, and 13000 Surf Street). A fee-simple Quit Claims allows a property owner to combine the adjacent strip of property with their own.
- Two of the Quit Claim requests were for a strip of property along the beach front, what might be called “waterfront” property.
- The Quit Claim on Surf Street was for a portion of a drainage area from Gray’s Creek and is owned by the Association (16-foot-wide swath) adjacent to the lot at 13000 Surf Street.
 - This Quit Claim request prompted considerable discussion within the community. In addition, questions regarding ownership of these areas, including uncertainty at the County offices responsible for issuing permits, led the Board to temporarily defer consideration of all Quit Claim requests while these matters could be reviewed and clarified.
 - The area in question is not the access to the beach as set aside by the original developer (Paul Kerman). The beach access lies to the north of 13000 Surf Street off of Lake Drive at Pine Place.
 - While some in the group felt the area has value as a gathering place for families, the Board has expressed concerns that the area may be unsuitable for this purpose and could present a potential liability to the Association.
 - The importance of maintaining the spot as a natural waterfront area that should not be disturbed was also discussed.
- The issue of ownership of this area is in the process of being confirmed with Calvert County with all deeds of transfer having been sent to the Department of Public Works and the tech GIS office (who oversees the updating of maps available on the Calvert County website). The final deeds of transfer from the Drum Point Project Inc. (Drum Point Club) to the Drum Point Road and Community Services (DPRCS), which evolved into the Drum Point Property Owners’ Association (DPPOA) had never been recorded. These deeds show ownership by the DPPOA of all areas along waterways in Drum Point.
- The Quit Claim issue will be revisited at a future meeting.

New Business: Approval of Budget for FY 2027 – See above under Finance Committee

Public Comment: Comments were heard regarding the condition of some properties in Drum Point as well as those property owners who keep large RV’s and/or boats. Questions arose as to why this is allowed; the Covenants (placed on properties in 1947) did not address such problems. There are no restrictions or guidelines as to how one must maintain their property, however violations of Calvert County ordinances regarding an accumulation of trash are reported to the Zoning Enforcement office.

With no further business to discuss, the meeting adjourned at 8:40. The next meeting of the General Membership will be held in September, date to be determined.
