

When can I burn leaves and debris at my residence?

You can burn any time after 4:00 p.m. seven days a week EXCEPT during **the Calvert County Burn Ban, which lasts from June 1 through September 1** every year AND in locations where there are “Burn Ordinances”, such as the beaches. You must burn away from wooded areas or structures and you must have a water supply nearby. Fires must be attended at all times and must be put out by midnight. Notify the Calvert Control Center (410-535-1600, ext. 2230 or 410-535- 3491) prior to conducting controlled burns in case someone calls 9-1-1 stating that they see smoke in your area.
