

## The Trails

**Red** - The main trail loop, which is moderately difficult.

**Blue** - These trails connect one trail to another (i.e. the red trail to the green trail). These trails are easily navigable.

**Yellow** - One of the most beautiful trails in the spring. This observation trail allows viewing of the **Flower Bowl** preserve.

**Green** - These are the easiest trails traversing our meadow habitats.

**White** - These short trails connect the red trail to points of interest. (Overlook, Evans Mill, Lime Kiln, etc.)

**Orange** - This one mile trail consists of a high open meadow with breath-taking views of the surrounding landscape.

**Freedom trail** - a paved, barrier-free trail located adjacent to the parking lot.
