

The Raven Run Transportation Grant

Sponsored by The Friends of Raven Run

In an effort to expose more children to the great outdoors and introduce them to the free programs by Lexington Parks & Recreation's Natural Areas Division, a grant system was set up through the Friends of Raven Run to help alleviate the costs of transporting students to Raven Run. This grant money has been provided by the many people who enjoy Raven Run and participate in the annual Raven 10K trail run, as well as event sponsors.

The Friends of Raven Run is an independent not-for-profit (501(c) 3) organization that works in partnership with the Lexington-Fayette Urban County Government and The Raven Run Citizen Advisory Board. The primary goal of the Friends of Raven Run is to offer support for programs and maintenance issues at the sanctuary.

Purpose: The purpose of the Raven Run Transportation Grant is to provide funding to alleviate the costs associated with transporting students to the nature sanctuary who wish to partake in educational programs.

Goal: The goal of the grant is to increase student access to quality hands-on environmental education programs and experiences in nature.

Who May Apply: Any Fayette County school (grades K-12) may apply. Applications for the grant must be submitted at least 4 weeks before the trip.

Program Description: This grant program enables teachers to provide their students with access to hands-on environmental education programs by providing transportation funding. The grant will cover the cost of bus transportation to and from Raven Run up to \$400 per school during the fall or spring season. All Raven Run programs are presented free of charge.

How to Apply

- Contact Anna Wiker at awiker@lexingtonky.gov to discuss program content and to discuss dates for a possible visit.
- Complete the application, scan, and submit as an email attachment to awiker@lexingtonky.gov.
- Members of the Raven Run Citizens Advisory Board and Friends of Raven Run will review the applications to select schools for funding. A response to the grant application will be received within 2 weeks of the request.
- The transportation invoice would normally be sent to the school bookkeeper for payment. Please send a copy of the transportation invoice via email to awiker@lexingtonky.gov. A check will be mailed, up to \$400, by The Friends of Raven Run as indicated on the invoice with a copy sent to the school.

School Must

1. Review subject material (e.g. habitats) with students prior to the field trip.
2. Assess the impact of the field trip on the students with a post-review in class following the visit to the sanctuary.
3. Complete an evaluation of the program (sent post-program via email) and send feedback to Anna Wiker (awiker@lexingtonky.gov.)
