

SELECTION SUPPORT by Arete

Wish you could hire faster? Reduce turnover? Make selection easier?

Selection Support uses the Hogan and LEA360 assessments to collect data about candidates to better inform your hiring decisions.

You will have a trusted partner to help support your hiring process in today's fast paced business environment. We will help identify potential leadership strengths, performance "derailers" and values that could impact work performance. You will also receive interview questions for each candidate based on their individual assessment results.

- Our support is targeted towards mid-manager through senior level leader positions.
- You will receive customized interview questions based on each candidate's assessment results.
- **Selection Support** includes the following:
 - New Hires
 - High-Potential Selection
 - Internal Candidate Selection
 - Special Project Team Selection
 - And more...
- **Selection Support** partnership is only \$1,000 per candidate.

To ensure an even more effective transition for leaders into their new roles, please ask about Arete's onboarding and transition coaching for newly-selected leaders. Two coaching support options are provided: **My Coach** by Arete and Executive Coaching engagements (4-6 months).
