

All case pieces have full top front, back, and bottom rails. They are manufactured with cleats, corner blocks, screws, dowels, and glue.

**TOP CONSTRUCTION:** High-pressure laminate. The substrate is contract-grade particle board core with a density of 45 pounds.

**DECORATIVE TRIM:** PVC edge band.

**DRAWER BOX CONSTRUCTION:** Drawer box features glued mortise and tenon joinery.

**DRAWER FRONTS:** Drawer fronts are made of thermally-fused laminate on a particle board core with a density of 45 pounds.

**BACK PANELS:** Back panels are recessed for cord maintenance and grooved into end panels.

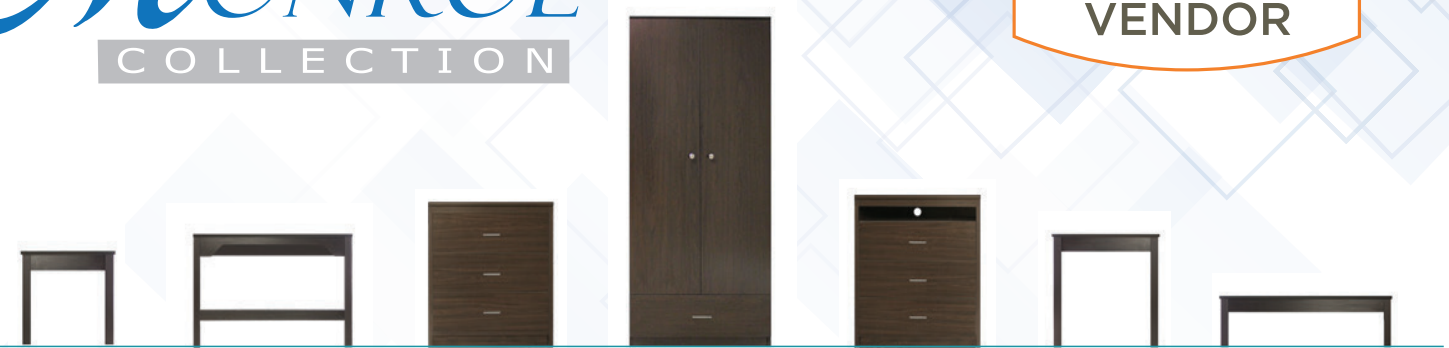

**LEGS:** Legs are PVC wrapped MDF. Legs are attached with leg bolts.

**HEADBOARD CONSTRUCTION:** Headboards are made of thermally-fused laminate over a particle board core with a density of 45 pounds. All headboards are wall-mounted.

**WARRANTY:** All case goods are warranted for a period of 5 years from date of purchase.
