

2021 IQPA

Virtual Stock-Type Halter Show

Same Pattern for all classes.

Tips: Take pride in yourself and your pony. Clean, well fitted English Bridle, Leather Halter or Nylon Halters are all acceptable. Head cover is not required. Stand your pony square and well-balanced. Try to show your pony on a flat service such as a mowed field or arena. Your trot should be forward but not hurried. Your camera helper should be steady, with the entire pony in focus throughout the pattern. Do not edit, add any music or graphics. You can mute background noise when you upload, but that is the only edit allowed. Find the entry form at [www.IQPA.com](http://www.IQPA.com).
