5: Maladministration Manual Webinar Switcher: In this PMA membership you will learn in depth the meaning of maladministration and how it applies to all government servants regarding their responsibility to the people. This teaching is crucial to understanding clearly the duties and obligations all public servants are required by law to follow. Once you master this fundamental you will never again feel powerless when it comes to exacting full compliance from our government trustees. Also, within this webinar, you'll begin to understand why as the people we don't need to prove fraud when it comes to elections, but instead insist that they adhere to constitutional protocol. Truly a game changer!
