International Trade Expo- 2025 in Sri Lanka

International Trade Expo aims to empower participants, improve food security & contribute to the overall growth of the Agro and Food processing sectors would typically showcase innovations, advancements, and research in agricultural practices, food production, processing technologies, and sustainability.

The QIP initiative aims to create a positive impact on the agricultural sectors in both Karnataka and Sri Lanka, fostering growth, resilience, and sustainability for farmers in both regions.

Facilitating collaboration between Karnataka and Sri Lanka will foster joint ventures that enhance technology transfer and investment opportunities, benefiting both nations' agricultural and food sectors.

Key Expo Outcomes

- The International Trade Expo will empower stakeholders, enhancing agricultural practices and food security in both countries. Sri Lankan farmers will particularly benefit from accessible technologies, enabling them to produce quality goods for export, earn foreign currency, and contribute to economic growth. Engaging diverse participants will foster collaboration and create new investment opportunities in the agricultural sectors of Karnataka and Sri Lanka.
- **Enhanced Knowledge Transfer:** The expo will promote the exchange of best practices & innovative solutions, equipping farmers and businesses with insights to boost efficiency and sustainability in agricultural practices.
- **Strengthened Supply Chains:** By connecting farmers with logistics and storage providers, the expo will enhance supply chain efficiency, ensuring timely delivery of high-quality products to global markets, in line with the GROW with Sri Lanka business initiative.
- The event will empower Sri Lankan farmers to market their quality goods via the **Bharath Super Mart Digital Export Platform:** enhancing their access to both domestic and international markets, benefitting both countries.

Terms and Conditions

Definitions

In these Terms and Conditions:

The word 'EXHIBITOR' means the person, company, firm or other organisation to whom space at the Exhibition has been allocated by the Organisers and, in relation to any term or condition, shall include employees, contractors, sub-contractors, servants, agents, licensees or invitee of the Exhibitor. The word 'EXHIBITION' means 'EXHIBITION of the Science & Technology Awareness Expo. The word 'ORGANISERS' means 'Fortex Trade Technology Limited'.

Allocation of Booth Space

Application for booth space must be made on the Booth Application Form provided by the Organizers. Applications will be dealt with in strict order of receipt save that in the event of a conflict regarding space or other imperative conditions (including without limit a need for the utilities' services), the Organizers shall have the right to allocate space to the Exhibitor, re-arrange the floor plan, and/or relocate any booth at any time before or during the period of the Exhibition. While the Society attempts to accommodate Exhibitor location and other preferences, such accommodations cannot be guaranteed. In the event of a conflict regarding space, the Society shall have the right to assign space to the Exhibitor. The Organizers shall reserve the right to refuse any application. The Booth Application Form must list all firms being represented by the Exhibitor. The Organizers undertake to give the fullest sympathetic consideration to the interests of the Exhibitor provided that any question arises which is not provided for within the terms of these Terms and Conditions. The Organizers' decision must be accepted as final.

Upon the issue by the Organizers of their Confirmation of Booth Application (which allocates the booth space to the Exhibitor) a contract shall be made for the booth space so allocated between the Organizers and the Exhibitor whose entire terms shall be contained in these Terms and Conditions, the Booth Application Form, the Confirmation of Booth Application and the Exhibitor's Manual as issued by the Organizers (which the Organizers may amend from time to time).

Charges for Booth Space

The charge for booth space is calculated on the basis of a minimum of 9 square meters. The price per square meter (net of tax) is shown on the Booth Application Form and in the Exhibition Information. Additional requirements may be obtained on request to the Organizers and will incur additional charges. It is essential that the Organizers be advised of these requirements as early as possible and not later than 21 August 2017.

Payment for Booth Space

The Exhibitor shall pay the total cost of the booth(s) allocated within 13 days of the date of the invoice issued by the Organizers. If the invoice is not paid by this date the Organizers may re-allocate the booth space to another Company without any liability to the Exhibitor. Payments must be made by bank transfer in Euro. All the Organizers' charges are exclusive of any applicable Value Added Tax, for which the Exhibitor shall be additionally liable. The Organizers shall have the right to refuse to permit the Exhibitor to occupy or use the booth until all sums due to the Organizers from the Exhibitor have been paid.

Cancellation or reduction of space

Notice of cancellation of allocated booth space must be given to the FTTL Secretariat in writing at the address on the Booth Application Form. A cancellation charge of 20% of the total charge for the booth will be made and a refund of any charges already paid in excess of this amount will be made to the Exhibitor.

Cancellations received after 15 Dec. 2024 will be liable to a charge of 50% of the total charge for the booth. The Organizers will endeavor to re-let the booth space not required by the Exhibitor, but if they shall be unable to do so, the Exhibitor shall remain liable to pay the full charge for the booth space allocated. The Exhibitor will be liable to pay the full charge for the booth space if notice of cancellation is received after 25 December 2024.

Alteration to Booth Space

The Organizers shall be entitled to alter the layout if, in their opinion, this is in the general interest of the Exhibition.

Bankruptcy or Liquidation

In the event of the Exhibitor becoming bankrupt or (being a company) entering into liquidation other than for the purpose of reconstruction or amalgamation, or having a receiver, administrator, sequestrator or trustee appointed over any of its assets, or entering into any composition or compromise with its creditors, the Organizers shall be at liberty to terminate

forthwith the contract with such an Exhibitor and to cancel the allotment of booth space to the Exhibitor, and all sums paid by the Exhibitor under the contract shall be forfeited.

Installation of Exhibits

The Exhibitor will be notified of the hours of installation of exhibits, removal of exhibits and the official opening hours of the Exhibition in the Exhibitor's Manual. All booths must be complete and ready for inspection one hour prior to the official opening time. All Booths must be open for viewing and staffed during the official opening hours. Removal of exhibits and dismantling of booths may not commence until the official closing time of the Exhibition. The Exhibitor shall remove by the time stated in the Exhibitor's Manual all exhibits, displays, booth fittings, materials and other items brought into the Exhibition Hall by the Exhibitor.

Booth Construction and Arrangement

The Exhibitor shall submit plans of his booth(s) to the Organizers no later than 4 August 2017 for approval by the venue. No display, booth fitting, or exhibit shall exceed the height specified in the Exhibitor's Manual, without the prior consent of the Organizers.

The contractors appointed by the Organizers are the only persons authorized to carry out movement of, and fixtures to, the shell scheme hired from the Organizers and to carry out any electrical installations and connections.

No exhibit shall exceed a floor loading of 500 kg per square meter without the prior written consent of the Organizers

All structures and materials, including signs, shall conform to the requirements of the Organizers as laid down by the regulations of the venue and of the event. Carpet flooring installed by the Exhibitor must be laid directly on the floor and securely taped at the edges.

No storage for packing cases or packing materials is provided within the Exhibition Hall. All such cases and materials must be removed from the premises before the Exhibition opens and not brought back before the official closing time.

The Organizers and the venue reserve the right to examine and exclude any exhibit. No Exhibitor will be permitted to install display materials or exhibits which contravene safety or security regulations as laid down by the Organizers. Gangways must be kept clear and free for passage and must not be littered or obstructed.

Further rules regarding booth construction and arrangement are set out in the Exhibitor's Manual. The main objectives of the rules are to create a comfortable and open exhibition space for delegates and exhibitors alike, aiming to maintain the view through the Exhibition as free as possible, not overshadowing or obscuring the view of neighbouring booths and keeping open sided booths as accessible to exhibition traffic as possible. All exhibitors must adhere strictly to the rules.

Obstructions

No Exhibitor will be permitted to install his display or exhibits in such a manner as, in the opinion of the Organizers, obstructs the light or impedes the view along the open spaces or gangways of the Exhibition Hall. No exhibitor shall erect perimeter walling, screens or other structures that impede/obstruct the view to neighboring booths. Perimeter walling must not extend beyond 20% of the total length of any side of the booth. Screens and/or monitors must not exceed the maximum size of 48 inches and must be sited a minimum of 1 meter from the aisles or gangways of the Exhibition Hall. The content shown must be relevant to the theme of the event, of educational value or be relative to science and medicine. Open sides must remain at least 80% unconstructed. This rule does not apply to fixtures such as reception desks, posters, etc. but to solid walls that restrict the view through the stand and block access to the delegates. Exhibitors should be aware that construction of stands at certain venues may be affected by the positioning of service outlets or pillars. In the event that a service outlet has to be shared by a neighboring stand, Exhibitors are advised to build raised floors. Exhibitors will be advised of such a situation prior to entering a contract. There is no discount offered in such instances.

Noisy Exhibits

Electrical, mechanical apparatus, video or musical/voice sound must be inaudible to neighboring booths. Objectionable audible or visual attention-seeking devices or effects and offensive odors from exhibits are strictly prohibited.

Dangerous Exhibits and Substances

No exhibit, working demonstration, or special display, such as lasers, which involve substances of a dangerous, explosive or objectionable nature may be brought onto the premises without prior written consent. The Exhibitor, if granted permission, must indemnify the Organizers against any claims, costs or liabilities arising from the use of such materials and must comply with all local laws, ordinances and regulations concerning the handling and disposal of such materials and bear all costs incurred in the removal and disposal of such materials. Written consent will not be granted unless the Organizers are provided with copies of an insurance policy which provides

Agreement

The undersigned is authorized to enter into agreements on behalf of the Exhibitor. The undersigned declares that this Exhibition Booth Application Form, together with the Terms and Conditions, as well as any other documents but not limited to the Exhibition Manual, are an integral part of the agreement and contractual relationship between Fortex Trade Technology Ltd and the above mentioned Exhibitor. Furthermore the undersigned declares that he agrees to the content of the relevant documents and agrees to observe and be bound by them.

adequate cover for any claims which may be made by the Organizers under the indemnity in this clause. Only or dirty exhibits are not permitted unless specifically cleared with the Organizers prior to the Exhibition opening.

Conduct of Exhibitors

Upon being required to do so by the Organizers, the Exhibitor shall cease to employ at the Exhibition any servant or agent of the Exhibitor who shall be guilty of any conduct, which in the opinion of the Organizers, is prejudicial to the proper management of the Exhibition.

Canvassing

No Exhibitor shall place signs or distribute promotional material in any area not designated for such purposes by the Organizers. Any such materials placed in non-designated areas shall be removed. No Exhibitor may conduct surveys or distribute print items, promotional samples or other materials in the exhibit hall unless it is within the parameters of his own booth space.

Trade Union Labour

It is recommended that all Exhibitors, contractors and sub-contractors within the halls conduct their industrial relations in accordance with good practice and observe Codes of Practice issued from time to time by the relevant authorities. Any person carrying out work contrary to the requirements of the venue and the local regulatory authorities, and of any other competent authority, will be required to stop immediately and may be directed to leave the Exhibition Hall.

Freight and Transport

Freight forwarding transportation and handling will be available through the official agent. Exhibits must be addressed to the appropriate booth of the exhibiting company at the Exhibition Hall. Exhibits must not be delivered to the venue before the time and date specified in the Exhibitor's Manual. Full details of the requirements for customs clearance and bonding formalities are available from the official agent.

Electrical Requirements

The Organizers have no responsibility for providing electrical, lighting or power services or for any failure to provide these. Orders for these services must be placed by the Exhibitor with the venue which is responsible for their delivery and installation. A schedule of these services, together with relevant charges, will be included in the Exhibitor's Manual. An Exhibitor may provide his own electrical fittings, where such fittings are in the form of made-up units, (including showcases and signs), complete and ready for connection to mains supply. All electrical installations must comply with the relevant regulations and are subject to inspection and test.

Booth Cleaning

Booth cleaning is not included in the charge for booth space, but the Exhibitor is responsible to the Organizers for seeing that his booth is maintained in a clean and orderly state. Should goods be left, they will be disposed of or stored by the Organizers who will have the right to charge for such storage.

Fire Precautions

The Exhibitor must comply with any instructions given by the venue and the Organizers to avoid the risk of fire. All materials in constructional work and displays must be effectively fire-proofed to comply with Italian ratings. Italian law regarding fire safety is the only one applicable.

Damage to Exhibition Buildings, Fixtures and Fittings and Shell Scheme

No painting is to be carried out in the Exhibition Halls. The fixing of display material(s) to the shell scheme will be permitted only by methods laid down by the Organizers. No nails, screws, or other fixtures may be driven into any part of the Exhibition building, including floors; nor may any part of the Exhibition Building be damaged or disfigured in any way. Should any damage occur, the Exhibitor shall be liable for reparation charges incurred.

Security

The Organizers will provide a site security service during the period the Exhibitor is permitted access to the Exhibition site but shall be under no liability for theft of or loss or damage to any property, equipment or materials brought onto the Exhibition site. For the purposes of security, Exhibitor lapel badges will be supplied. Badges must be worn at all times by exhibiting personnel whilst within the venue.

Sub-Letting

Sub-letting or licensing the use of booth space is not permitted, neither may the

products or services of firms not exhibiting in their own rights be promoted or displayed as exhibits, except where the Exhibitor is the SOLE selling agent for such products or firms, or express written permission has been obtained from the Organizers.

Public Liability

The Organizers shall not be liable for any claims arising from death or bodily injury or damage to property arising in connection with the erection and dismantling of the Exhibitor's booth and anything permitted, omitted or done thereon or therefrom during the period of the Exhibition or the construction and dismantling periods caused directly or indirectly by the Exhibitor or any contractor, sub-contractor, servant, agent, licensee or invitee of his or the act, omission or neglect of any such person or by any exhibit, machinery, or other article of the Exhibitor or in the possession of or use of the Exhibitor or any servant or agent of his. The Exhibitor will indemnify the Organizers in respect of each and every such claim and all actions, proceedings, costs, claims and demands in respect thereof. The Exhibitor shall effect adequate insurance in respect of all such claims, and the liability therefore assumed by the Exhibitor. Nothing in these Terms and Conditions shall exclude the Organizers' liability for death or personal injury caused by the negligence of the Organizers, its employees, sub-contractors or agents.

Insurance

The Organizers do not accept responsibility for any theft, loss or damage from any cause whatsoever, in respect of any property brought to the Exhibition premises by the Exhibitor. The Exhibitor releases from and indemnifies the Organizers against any liabilities in respect of any loss or damage to the exhibits or any other property brought to the venue and the Exhibitor shall effect insurance on a full 'All Risks' basis for a sum insured equivalent to the full value of all exhibits and other property brought to the Exhibition.

The Exhibitor shall provide proof of adequate cover to meet the insurance requirements of the clauses concerning Public Liability, Insurance of Exhibits, Postponement or Abandonment, and Failure to Vacate.

Postponement or Abandonment

If the Exhibition is postponed, cancelled or abandoned by reason of war, fire, storm, explosion, national emergency, labor dispute, strike, lock-out, civil disturbance, actual or threatened violence by any terrorist group, the non-availability, either wholly or partially, of the Exhibition premises, or any other cause not within the control of the Organizers, the Organizers shall be under no liability to the Exhibitor for non-performance or delay in performance of its obligations under this contract or otherwise in respect of any actions, claims, losses (including consequential losses) costs or expenses whatsoever which may be brought against or suffered or incurred by the Exhibitor, as the result of the happening of any such events. If, by re-arrangement or postponement of the period of the Exhibition, or by substitution of other premises, or in any other reasonable manner, the Exhibition can be carried through, (save that in those circumstances the Organizers shall not be obliged to take any of such actions) the contracts for space shall be binding upon all parties, except as to the size and position, as to which any modification, substitution or rearrangements considered necessary by the Organizers shall be determined.

Failure to Vacate

If the Exhibitor, should fail to remove all his property or otherwise fail to vacate the Exhibition premises by the official move-out time, due to any cause whatsoever, the Exhibitor shall be fully responsible for any penalties imposed by the venue or any other losses and costs incurred by the Organizers as a result of the Exhibitor failing to vacate the premises by the agreed time and without prejudice to any other right or remedy of the Organizers. The Organizers will remove and may then store any property of the Exhibitor left at the Exhibition Hall by the Exhibitor after the said time and the Exhibitor shall be liable for the costs of such removal and storage and any other incidental costs incurred by the Organizers or their agents. Any such removal and storage will be at the risk of the Exhibitor.

Exhibitor's Manual / Order Forms

The Exhibitor's Manual will be available via the Annual Meeting website from May 2024. The Exhibitors' Manual will include (without limitation) any amended or additional rules and regulations, badge order forms, audio-visual, electrical, telephone and furniture order forms. Please review all information carefully and be aware of all required deadline dates.

The Exhibitor must comply with the terms of the Exhibitor's Manual. If there is any inconsistency between these Terms and Conditions and the provisions of the Exhibitor's Manual, the provisions of the Exhibitor's Manual shall prevail.

Governing Law

This contract shall be governed by and construed in accordance with English Law.

Agreement

The undersigned is authorized to enter into agreements on behalf of the Exhibitor. The undersigned declares that this Exhibition Booth Application Form, together with the Terms and Conditions, as well as any other documents but not limited to the Exhibition Manual, are an integral part of the agreement and contractual relationship between Fortex Trade Technology Ltd and the above mentioned Exhibitor. Furthermore the undersigned declares that he agrees to the content of the relevant documents and agrees to observe and be bound by them.
