Read my commentary at the bottom of each section about what I like choosing. There are many routes through the sections. Watch out for the flowchart symbol. It means you need to make a choice by clicking on the coloured links

Skirt and blouse OR Dress?

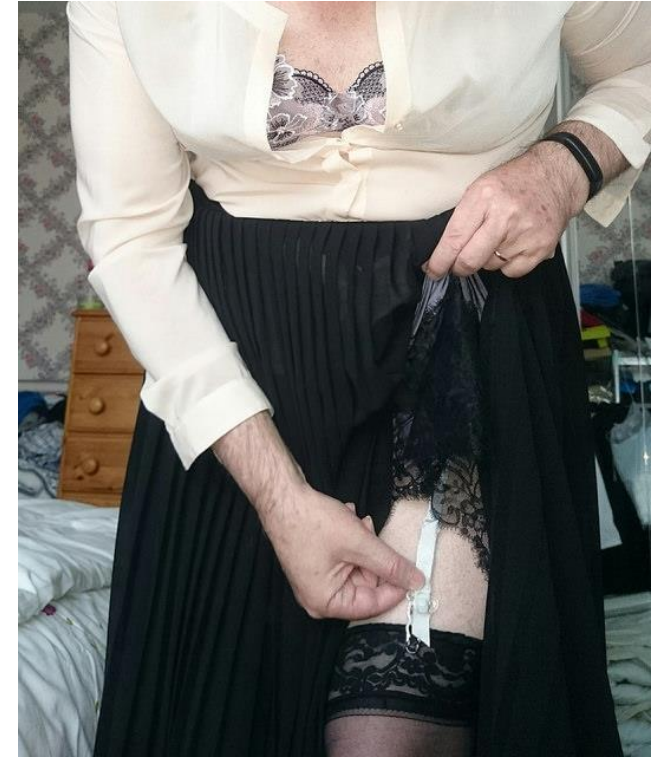

1: What do you want to Andrea to wear for her **outerwear**?

Choose: Skirt and blouse OR Dress

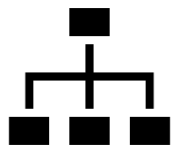

You chose: Skirt and blouse

Andrea Says

I love a skirt and blouse combination, especially if the blouse is sheer and shows my pretty slip and bra underneath. I also love a skirt that reveals a little lacy edged slip peeping out either through a split or from the bottom edge.

Next Choice: [Start over again](#) OR go back to [Outerwear](#) OR move on to [Shoes](#)

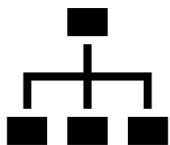

You chose: **Dress**

Andrea Says

I do sometimes choose to wear a dress. I love the bodycon dresses that hug my body but sometimes a dress with a button-down front is fun as it allows a slip to show in the split.

2: Dressing Andrea

heels OR sandals OR boots?

2: What kind of **shoes** do you want Andrea to wear?

Choose: Classic heels OR Strappy sandals OR Leather boots

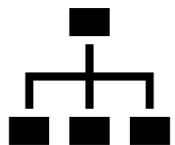

You chose: **Classic heels**

Andrea Says

Oh yes, I do find the classic stiletto so sexy to wear and they look so good. I could not wear them all day. Our American friends call them pumps, I am not sure why.

Next Choice: Start over again OR go back to Shoes OR move on to Hosiery

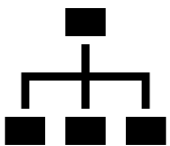

You chose: **Strappy sandals**

Andrea Says

I don't often wear strappy sandals. When I do I like seeing the toes of my nylon stockings and all the delicate lace work of the straps of the sandal

Next Choice: [Start over again](#) OR go back to [Shoes](#) OR move on to [Hosiery](#)

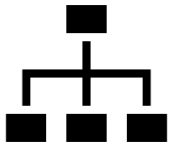

You chose: **Leather boots**

Andrea Says

I love wearing my long leather black boots, I feel so secure when I pull up the long zip. I do have a slightly baggy cream pair and a new ankle length red leather pair as well but the black leather ones are my favourite.

Stockings and suspenders OR tights OR holdups?

3: What kind of **hosiery** do you want Andrea to wear?

Choose: Classic stockings and suspenders OR Tights (pantyhose) OR Holdups

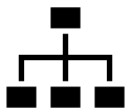

You chose: **Classic stockings and suspenders**

Andrea Says

Sheer stockings, held up with a lacy suspender, are my favourite, but there are so many to choose from. The classic seamed reinforced heel and toe (RHT) are so silky to wear and have the delicious key hole at the top of the seam. Plain tops are gorgeous but I do have some with a fancy swirling seam and even some stockings with patterns printed on. I adore sheer black but dark brown are lovely too. Usually, I will wear a lacy suspender belt tucked inside my knickers, easier for the toilet, but sometimes I wear a pretty belt on the outside for photos so that everyone can see the feminine, pretty lace.

Next Choice: [Start over again](#) OR go back to [Hosiery](#) OR move on to [Slips](#)

You chose: **Tights (pantyhose)**

Andrea Says

I know some trannies love to choose tights for the feeling of being encased in sheer nylon. I usually prefer stockings as I think they look prettier but do sometimes wear tights for a change. They do look good with a short skirt without being too tarty. Some tights can fool you into thinking that the person is wearing RHT seamed stockings. Some even have fake suspender belts printed on, but why not wear a real suspender belt? I do like seeing lacy panties from behind that show through the nylon tights. They are called tights in the UK but pantyhose in the US, I think the word pantyhose sounds very sexy.

Next Choice: [Start over again](#) OR go back to [Hosiery](#) OR move on to [Slips](#)

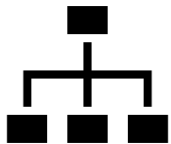

You chose: Holdup stockings

Andrea Says

I do prefer to wear stockings with suspenders, especially for photos, but sometimes if I don't have much time I will throw on a full slip, knickers and a pair of hold ups. Most have a lacy pattern at the top although a few of my pairs are plain tops with printed patterns, like stars or sometimes seams. I would very rarely wear these all day without adding a suspender belt for security.

**Half slip and
camisole** **OR** **half
slip** **OR** **full
slip?**

4: What kind of **slip** do you want to Andrea to wear?

Choose: Cami & Half-slip OR Half-slip OR Full Slip

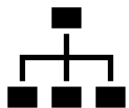

You chose: Camisole & Half-slip

Andrea Says

I have a few lovely camisoles (cami) which I sometimes wear over my bra's and with a half-slip (or waist slip). If seen through a thin blouse it can be hard to tell from the two pairs of shoulder straps if it the person is wearing a bra and a full or a cami.

Next Choice: [Start over again](#) OR go back to [Slips](#) OR move on to [Brassieres](#)

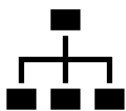

You chose: Half-slip

Andrea Says

Sometimes I will wear a half-slip (waist slip) without a cami so that you can see my bra and slip clearly. I have lots of half-slips in all sorts of colours. I prefer short tight half-slips with lashings of lace on the hem

Next Choice: [Start over again](#) OR go back to [Slips](#) OR move on to [Brassieres](#)

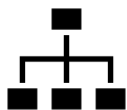

You chose: Full Slip

Andrea Says

I have so many full slips it was hard to choose which photos I would put on this page. I love the simplicity of full slips and think that they are so feminine. They must have lots of lace on the bust and hem.

5: What kind of **brassiere** do you want to Andrea to wear?

Choose: Balcony Bra OR Lacy Bra OR Plain Silky Bra

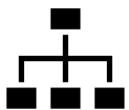

You chose: **Balcony Bra**

Andrea Says

Balcony bras have moulded cups to create the shape of boobs, which makes them look fantastic in photos. Some of these bras have lovely lacy patterns laid over the top.

Next Choice: [Start over again](#) OR go back to [Brassieres](#) OR move on to [Knickers](#)

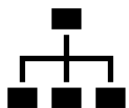

You chose: **Lacy Bra**

Andrea Says

These are thin bras (not moulded) which are lace all over and reveal my boobs through the thin lace of the bra. They may be underwired but I often take out the wire.

Next Choice: [Start over again](#) OR go back to [Brassieres](#) OR move on to [Knickers](#)

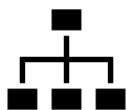

You chose: Plain Silky Bra

Andrea Says

These are old fashioned silky bras that feel wonderful to wear. The bra may be plain nylon or have some pretty lace trimmings

French knickers **OR** **bikini knickers** **OR** **Vanity Fair Panties?**

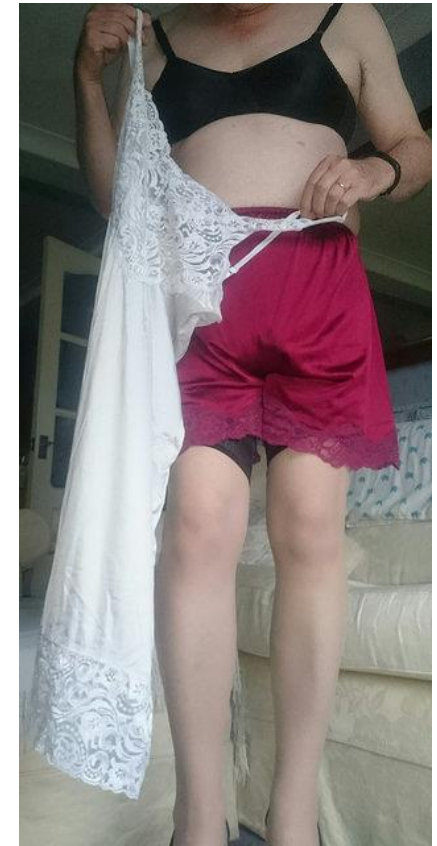

6: What kind of **knickers** do you want to Andrea to wear?

Choose: French Knickers OR Bikini knickers OR Vanity Fair Full Cut Panties

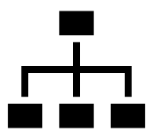

You chose: **French Knickers**

Andrea Says

French knickers evoke World War 2, a bygone era, and are so feminine. They are delicious to wear, loose legged with lots of lace, and so silky. I have lots of FK's in lots of different colours. They are my favourite knickers to wear with a full slip.

Next Choice: [Start over again](#) OR go back to [Knickers](#) OR move on to [Colour of Lingerie](#)

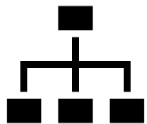

You chose: **Bikini knickers**

Andrea Says

Little bikini knickers look so sexy with a lacy suspender belt.

Next Choice: [Start over again](#) OR go back to [Knickers](#) OR move on to [Colour of Lingerie](#)

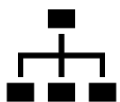

You chose: **Vanity Fair Full Cut Panties**

Andrea Says

Vanity Fair (VF) panties must be the silkiest knickers in the world. They feel heaven to wear. Almost all of these VF panties have the sexy little triangle of lace on both hips and there are so many colours.

7: What **colour of lingerie** do you want to Andrea to wear?

Choose: Racy Red OR Bold Black OR Cum Cream OR Baby Blue

OR Wank White OR Pretty in Pink OR Gorgeous Green OR Brassy Brown

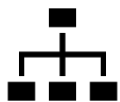

You chose: **Racy Red**

Andrea Says

Pillar Box Red is such a strong colour it can be over powering. Bright red slips look better when matched with black stockings or with a different shade of red, like Burgundy, for knickers and bra.

Next Choice: [Start over again](#) OR go back to [Colour of Lingerie](#) OR move on to the [Finish](#)

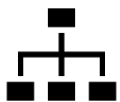

You chose: **Baby Blue**

Andrea Says

Blue goes from pale blue (Baby blue) to dark navy blue. I have several slips in this colour and often wear them with panties and bra in the same colour

Next Choice: [Start over again](#) OR go back to [Colour of Lingerie](#) OR move on to the [Finish](#)

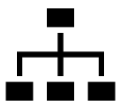

You chose: **Bold Black**

Andrea Says

There are no half measures with black, probably my favourite colour. It is often thought of as a dominant colour, I just think it is sexy and I have lots of black lingerie so it is easy to match.

Next Choice: [Start over again](#) OR go back to [Colour of Lingerie](#) OR move on to the [Finish](#)

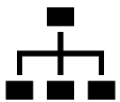

You chose: **Gorgeous Green**

Andrea Says

Green makes a nice change from black and white. My slips are either dark green or pale green with some lovely matching French knickers

Next Choice: [Start over again](#) OR go back to [Colour of Lingerie](#) OR move on to the [Finish](#)

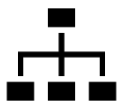

You chose: Wank White

Andrea Says

*White is classic, innocent and pure but calling it **Wank White** kind of gives the game away. Who reading this has not wanked into a silky white slip? I certainly have, many, many times.*

Next Choice: [Start over again](#) OR go back to [Colour of Lingerie](#) OR move on to the [Finish](#)

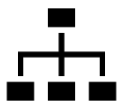

You chose: **Brassy Brown**

Andrea Says

*You may be surprised to see **Brassy Brown** included here but it is a colour I love to wear. It seems a very 70's colour now. I have some lovely pale beige through to dark chocolate brown slips and some gorgeous matching knickers.*

Next Choice: [Start over again](#) OR go back to [Colour of Lingerie](#) OR move on to the [Finish](#)

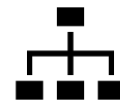

You chose: **Cum Cream**

Andrea Says

Following Wank White we have to have Cum Cream. Not as pure as Wank White, perhaps even stickier, but nice to wear all the same.

Next Choice: [Start over again](#) OR go back to [Colour of Lingerie](#)
OR move on to the [Finish](#)

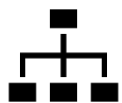

You chose: **Pretty in Pink**

Andrea Says

Pink is such a femme colour, makes me feel so girly. I much prefer pale pink to bubble gum pink.

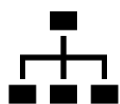

Next Choice: [Start over again](#) OR go back to [Colour of Lingerie](#) OR move on to the [Finish](#)

8: We have cum to the **Finish**, at least I hope you have cum
