I do like wearing matching panties and bra. Looks nice with lacy black suspenders and sheer black fully fashioned stockings. Perfect for working at home in the office. Susan Lloyd wanted me to wear red lingerie today. I hope she is watching me dress in my red slip.

I love the black lace on my panties. Did you notice my red seams on my fully fashioned stockings? I could have worn a red full slip today under my dress but I decided to go with a half slip instead, You will see why soon.

Let me get these heels on properly. You can see the red soles of my fully fashioned seamed stockings in the cut away of my peep toe high heeled shoes. I love looking up my legs following the red seam up to the lacy hem of my slip.

I pull the dress down over my head, get a bit stuck as it is a bit tight as I pull it down over my bra and big boobs.

So sexy and feminine !

Andrea Slip

Lacy black dress and red lingerie

My black dress is very lacy and slightly sheer. Good job I wore my red slip today as my lingerie shows through the lacy holes, as intended. I wore a half slip so that you could see beautiful bra as well as my slip. It is also easier to adjust the exact length of the half slip so that there is a lacy hem peeping out from under the dress.

Let me see if the hem of my black lacy dress rides up when I sit down. Yes I think you can just catch a glimpse of my red peeping slip and the darker stocking tops. You can also just catch the red soles of my fully fashioned stockings in my peep toe black high heels.

I know this is the favourite view for many of my friends, the classic up skirt view of my shiny red panties, the wide lacy hem of my slip., the stocking tops revealed. I am getting really hard now and so hot, I must do something about it.
