For January, Andrea is giving us a lovely view of her big boobs as she takes off her lacy white bra. The bra matches a long white half slip. What a lovely way to start the year.

For February we see the real Andrea ready for the office in a grey satin blouse and grey chequered skirt. If you look carefully you might just see Andrea's stocking tops and peeping black slip.

For March , we get a view of Andrea's silky pink lingerie. This is a delightful matching set in pink satin, bra, French knickers and a cute little half slip. Andrea is about to step into her little slip and pull it up over her brown seamed and dotted stockings. She is of course wearing glossy pink high heels to match her lingerie.

We see Andrea posing seductively on her bed for April in black leather boots, sheer black stockings and a black skirt. A very lacy yellow slip is caressing Andrea's sheer nylons. There is just a hint of stocking tops. This slip is one of Andrea's favourites.

May 2022

Andrea is wearing her favourite dress, a black long sleeved dress with lacy shoulders. You might not notice that as you may be looking up her skirt at her stockings / tights, silky French knickers and white slip.

June 2022

It was very hot in June. Andrea has popped into the garden wearing a full black slip and stockings.. She is of course wearing black panties and bra underneath. It is never too hot to wear a slip.

July 2022

Back in doors in July. Andrea is wearing a pink full slip with a black bra, edged in pink, underneath. She lifts up her lacy slip to reveal her black lace top stockings, pink suspenders and black nylon panties. Oh what a feast for the eyes.

August 2022

Oh my goodness. In August Andrea is taking off a lace edged grey slip over her grey stockings and pink high heels. Her satin pink panties and suspenders are revealed as she takes off the silky slip. Her pink flowery camisole seems to have slipped down to reveal her big boobs.

What a sexy feast for our eyes and stiff clities.

September 2022

In September 2022 Queen Elizabeth II passed away at Balmoral. Andrea dressed on the day of the funeral in the traditional black dress, as worn by the ladies of the Royal Family at Westminster Abbey. Seamed stockings, sensible heels and a peeping black lacy slip can be seen under a lovely lace topped black dress. All good so far. However, Andrea is also wearing sheer black French knickers and sheer bra under her slip and dress. I doubt the Royal ladies would have worn anything quite so, well, revealing and sexy, would they?

October 2022

In October Andrea is wearing a matching set of cream lingerie; a cream bra and panties. The tops of the long black stockings are covered by the lacy edge of her gorgeous satin French knickers but there is a cream suspender belt underneath. Andrea holds a lovely cream full slip which is about to pull down over the top of her panties, bra and stockings. To complete the picture she is wearing black heels and a white pearl necklace. This is one of Andrea's favourite photos of the year.

November 2022

Andrea lifts her full length black slip to reveal a lacy black Vanity Fair bra. She is also wearing black satin French knickers and black Gio stockings. Perfect lingerie on a cold November day under any outfit.

For our final highlight for December, Andrea is taking off her rather black lacy dress to reveal a gorgeous lacy white slip and stockings. The pearl necklace is a nice touch. Thanks for viewing Andrea's lingerie this year.
