

# What Lies Beneath

A photo story by Andrea Slip

Andrea is wearing a lovely black dress today, but you may be wondering what she is wearing underneath. Read on and you will find out.

<http://www.software04.uk/>

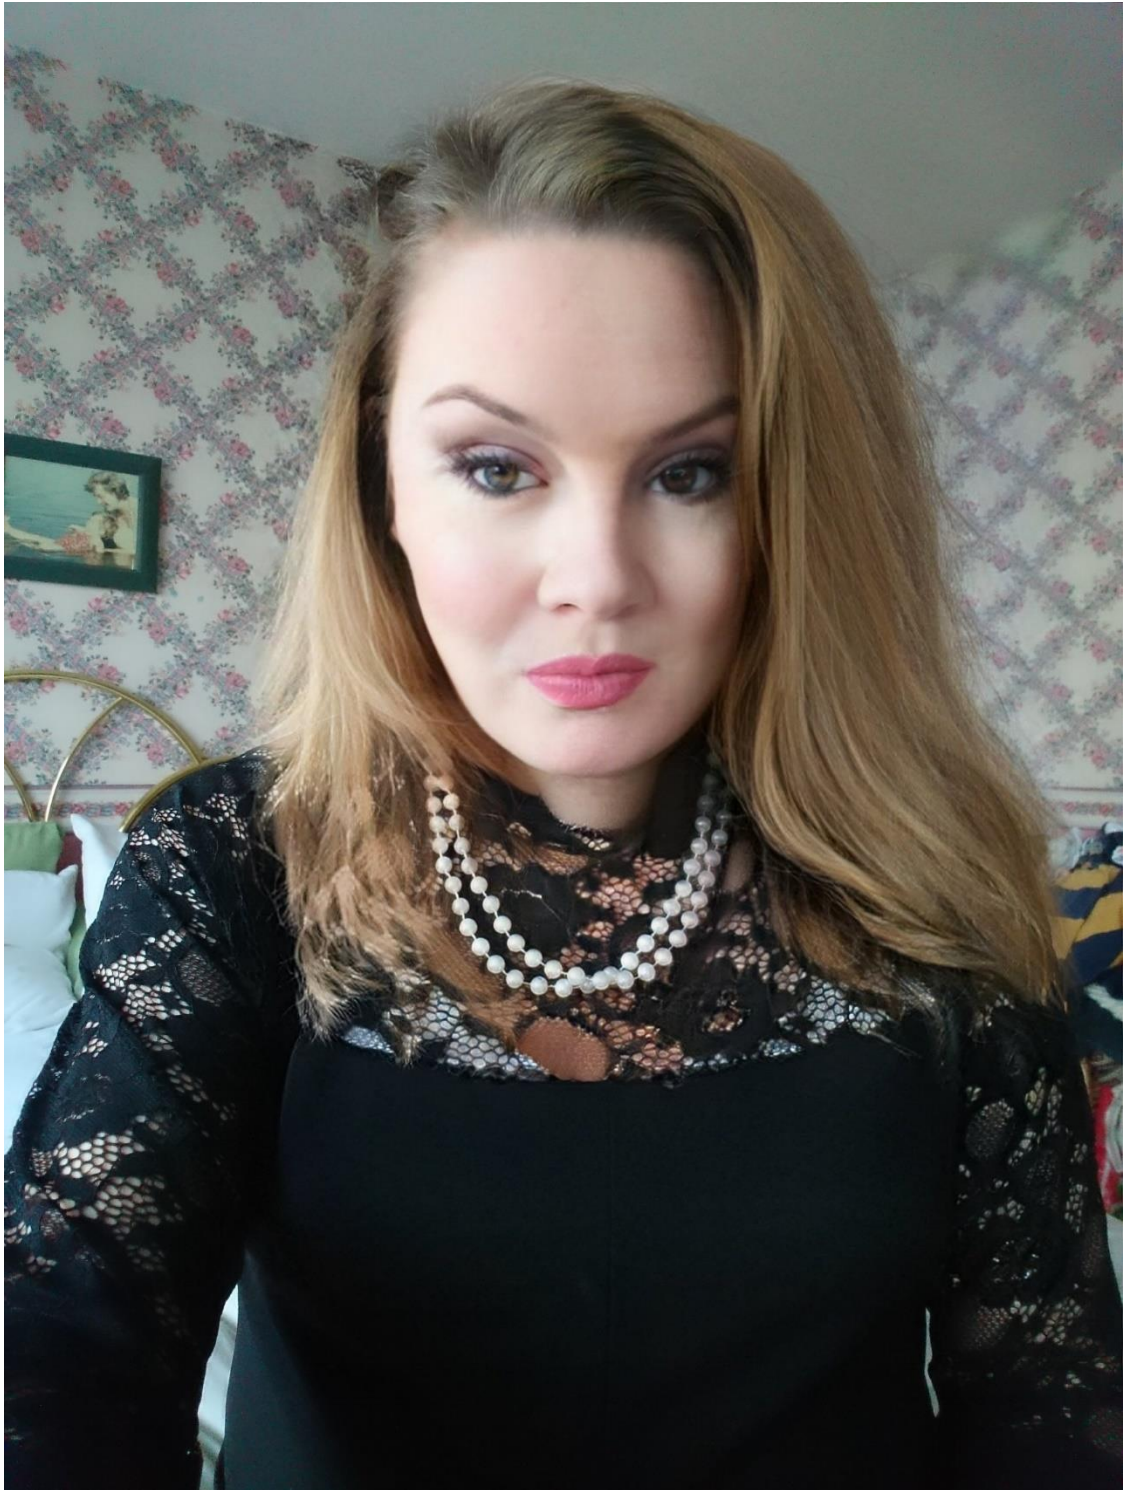

Today we are visiting Andrea at home. You love seeing Andrea show off her pretty lingerie but today it is as if you are in the bedroom with her for the first time.

The first thing you may notice is her shoes, Mary Jane heels in white, with a bar across the foot, the 2" stiletto heel and the rounded toes. Yes, they are new, well spotted. Don't they look pretty and feminine. Andrea has never worn Mary Jane's shoes before. These shoes were originally children's shoes but the style with rounded toes, a thin heel and with a bar or a buckle across the top of the foot became popular with women in the 1920's. Andrea's hosiery looks shiny and smooth, a pale brown colour, they look lovely, but are they tights (pantihose) or stockings?

Talking about feminine, you may also notice some white lace peeping out from under Andrea's black dress. Are you hoping that it is a slip? Do you like seeing a peeping slip, do you love wearing slips yourself? I hope so because that is why you are here and reading this story.

The dress is quite tight fitting and finishes just above the knee. You can see lots of nylon clad leg. You probably like seeing a lady wearing nylons, a dress, and heels. So sexy and so feminine. The dress has a lacy top and long sleeves, perfect for a lady like Andrea as it covers up the arms.

Let's have a better look at the shoulders of the dress, they are very lacy and perhaps show a little white underneath. I will let you into a little secret. The dress is meant to be worn the other way round, but Andrea loves the black lace and how her lingerie can just be glimpsed through the lace. She is also wearing a string of white pearls, has done her hair and makeup beautifully. The camera never lies, does it? Andrea looks gorgeous and so feminine; I hope you agree.

Andrea has sat down for a moment and her dress has ridden up to reveal both a lacy slip and lacy stocking tops.

Today Andrea is clearly wearing stockings and not tights. Oh, la la, her stockings look lovely with her new Mary Jane shoes.

Now Andrea turns her back and leans over. You get a glimpse up her skirt and see the lace top of her stockings and perhaps even a glimpse of her white panties and slip.

Andrea turns back and crouches down in front of the camera. You get a good look at her new white heels and nylon stockings. Her lacy white slip peeps out from under the black dress.

“Do you want to see more,” Andrea suddenly asks you?

“You want to lie on the floor and look right up my dress, don’t you?”

“Yes please,” you say as you find your voice from somewhere.

“Oh, you are naughty,” says Andrea.

Of course, Andrea is happy to oblige as you lie down on the bedroom carpet, she steps over your inert body.

“Can you see properly,” she asks sweetly?

“Oh, yes, I can see clearly now,” you say.

“Tell me what you see,” she demands more sternly?

“Well, I err, I can see your white panties, the rear looks quite frilly, and the front looks quite sheer. There seems to be something sticking out the front of your panties.”

“That is my stiff clitty, are you stiff now?”

“Oh my God, yes.”

“Well, you had better get your clitty out of your panties and start wanking, then.”

Rustle, rustle, your hand is now in your panties and massaging your own stiff clitty.

“Carry on, then.”

“You are wearing lace top stocking and very lacy white slip,” you say describing the delightful and sexy lingerie above you. This was what you were hoping for. You have watched Andrea showing her pretty lingerie from afar for some time but now you are in the virtual room with Andrea.

“Don’t cum yet, I haven’t finished with you yet. Do you want to see more of my slip?”

“Yes,” you gurgle.

Andrea gets up and makes you sit on the chair. You carry on wanking into your panties.

She lifts her black dress. The wide hem of her slip comes into view. It is slightly sheer; you can see her stocking tops and white panties through the thin slip.

Andrea sits down on the bed and lifts her slip further. Her white panties cum into view again. There is definitely a tent in the white panties and a very obvious damp spit in the white nylon. You know how that feels as your silky nylon panties are the same.

“Oh bother,” says Andrea, I think that my stockings are a bit loose, I need to tighten them up so that they don’t fall down.” Andrea stands up and adjusts the suspender strap on her right thigh. To be honest you had not really taken it in, until now, that she was wearing suspenders to hold up her lace top stockings and not hold ups.

You are wanking furiously at the sight of Andrea lifting her slip again to show her slip, white panties, stockings, and suspenders. You are hoping to see more.

"I am going to take my dress off now as I am sure you want to see my slip and lingerie, don't you?"

"Ergggg, yes please," you manage to say.

Andrea carefully lifts her black dress off to reveal her beautiful white slip. Not only is the hem have a beautiful wide lacy hem the bust is very lacy as well.

"Do you like my slip?"

"Oh, yes, it is beautiful, and so sexy. You fill the bust so well. I can see two sets of straps on your shoulder, you must be wearing a bra as well."

"Of course, panties and bra go so well together."

Andrea turns her back to you.

“Now what do you see,” asks Andrea?

“I can see your bra and suspender belt through the slip and OMG, the laciest panties I have ever seen, they have rows and rows of lace. Can I touch them?”

“Not yet.”

Andrea sits down again.

“Now take off your dress and describe what lingerie you are wearing,” she says, “I can see that you like lingerie as well, or you wouldn’t be here, but I want to hear you say it. You can carry on wanking as you tell me.”

You are shaking as you stand up and take off your dress over your head, just like Andrea did a moment ago.

Perhaps you are wearing a lovely white dress with navy blue bra and a half-slip, just like this. You tell Andrea all about your dress, your slip, bra, and stockings.

“Oh, I love the lacy split that reveals your stocking tops and suspenders,” says Andrea.

Or perhaps you prefer a black half-slip with fashion hosiery? As you look down you can see the lacy hem of your silky black slip caressing your sheer nylon legs, tights or stockings, you decide. You are wearing some heels of course.

Maybe a skirt and blouse is more your style. When you take off the blouse you reveal to Andrea that you are wearing a black full slip.

Andrea knows all about wearing a black slip.

If you are wearing a black slip, take it off and describe the black panties, bra, suspender belt and stockings you are wearing underneath.

“Don’t be shy,” says Andrea,” You know you want to tell me about your panties and bra. I just know you love wearing them and I can see that they make you very hard.”

You glance down and see a big tent in your silky panties.

But if you are wearing a skirt and blouse perhaps you prefer a half slip and bra.

“Such a sexy combination,” says Andrea, “and I love your boots.”

Maybe you don't go for boots but prefer stiletto high heels, in pink of course. If you are going to wear pink heels then a pink slip, bra and satin French knickers is a great combination.

Perhaps you just like classic white lingerie, just like Andrea is wearing. Doesn't this very lacy bra and bright white half-slip look gorgeous together? Is that what you reveal when you take off your black and white dress, with white high heeled boots?

Andrea is still in her full white slip sitting on her bed. She brings out a camera from somewhere. She takes a snap of you in your beautiful silky lingerie.

“You look gorgeous in your lingerie, I love your choice, but now I want to catch this moment. Are you still hard? Perhaps this will help.” Andrea stands up again.

Andrea lifts her slip to reveal her sheer panties again. She is getting hard and so are you again. Andrea takes a photo of the tent in your panties as you take off your slip.

“It is so nice wanking into your panties, isn’t it?” says Andrea as she slips her hand into her white panties and massages her own stiff for a moment.”

“Time to take my slip off now as I am sure you want to see my bra and panties.”

She slips the straps of her full slip off her shoulders and then slowly lowers the slip towards the floor. Her white bra comes into view for the first time. Oh, my goodness, the bra is sheer white and shows her big brown nipples.

You are so hard looking at her big tits showing through her bra and the tent in her panties. You keep wanking furiously your stiffy in your panties, you won't be able to hold back much longer.

Andrea turns her back, now you see her frilly panties from the back for the first time.

“Do you like my frilly tennis panties?”

“Urggg....” Is all you can manage.

“They are rather gorgeous and so thin; you can probably see my stiff clitty. Now you can touch me through my tennis panties.”

You don’t hesitate as you slide your hand over the stiff protuberance in the white panties. It feels so hot and stiff but still covered in nylon. You wank Andrea gently at first but then more quickly as you rub the white nylon panties.

Andrea lets out a little gasp.

“I have just cum in my panties and by the look of the stain in your panties, I think you have as well. Did you enjoy that? Perhaps next time you can suck me off. Do cum again.”

## The End
