

# Andrea Slip Review of 2024

# Introduction

In this review of 2024 Andrea has selected one photo per month from the thousands she has published on Flickr during the year. These 12 are the very best photos that you will enjoy seeing again. There are some bonus photos at the end for you to enjoy.

# January

We start Andrea's review of 2024 with Andrea wearing cream panties, bra, suspenders and some tan lace top stockings. She is holding a delightful cream half slip with lashings of lace.

# February

This month we get the classic upskirt view of Andrea's silky white panties, a lace edged half slip and pale nylon stockings.

# March

In March we get a simple slip photo. The half slip is black with a wide white lacy hem. The sheer black stockings caress Andrea's legs and the picture is complete with shiny pink high heels. Andrea loves looking down to see her slip and stockings, so femme.

# April

Andrea lifts her cream full slip to reveal a very lacy cream bra and a hint of cleavage. Her white nylon panties seem to have a damp spot, has she got excited, just like you? The picture is complete with a suspender belt and sheer brown stockings.

# May

Andrea bends over to let you feast on the view up her skirt. What a view. We see her pink high heels, sheer black stockings pulled tight by a pink suspender belt, a frilly pink half slip that is edged in white lace. Have I missed something? Oh yes, we even see a tiny glimpse of her pink French knickers.

## June

Oh Andrea, you are so naughty! She is lounging on the sofa in brown stockings, a pink suspender belt, tiny pink satin half slip and a very lacy pink bra covering her big boobs. She looks like a 30's film star on the casting couch.

## July

Andrea is trying to look like a demure librarian, except that we can see the white lacy hem of a slip peeing out from under her grey office skirt. We can also glimpse black stocking tops hiding under the lacy hem of the slip. Naughty but nice.

# August

As Andrea steps out of her brown skirt we see she is wearing killer red high heels and a brown full slip. Both the top of the slip and the hem have beautiful matching lace, oh what a slip.

# September

Oh my goodness, has Andrea got a big cleavage? The lacy and sheer brown bra does little to hid her nips. Her brown half slip has a white lacy hem to match the edging on the brown bra. The slip has ridden up to reveal silky brown panties, dark brown stockings and a brown suspender strap.

# October

Oh, my goodness, did you not realise that Andrea is a man who likes to wear beautiful nylon lingerie? Andrea undoes her long tartan skirt to reveal a delightful red half slip and matching bra. Black stockings tops can just be seen through the asymmetric lacy hem of the slip. Black high heel boots complete the picture.

# November

A rear view of Andrea wearing white lacy panties, brown Gio seamed stockings, white suspenders, pink high heels and a delightful white half slip. Has she taken off the slip or is she putting it on?

# December

To finish the year, we see a naughty picture of Andrea taking off her red and black bra to reveal her big boobs. Her black lacy French knickers hide a red suspender belt attached to black stockings and something else. Andrea is holding her matching red and black satin panties, a saucy end to 2024.
