Standards of Care

Policy approved by the Board of Directors on 6/30/2019

Volunteers, Board Members, and Executive Leadership (“Members”) shall not withhold any care for any reason; an equine dentist, veterinarian, or farrier should be made available to the equine(s) if needed. Members agree to provide recommended veterinary care for illness and/or injury at their expense, according to the equine’s needs.

Equine(s) shall have at all times:

- A. An environment of kindness, affection and respect where all anti-cruelty laws set forth by the state of equine(s) residency are followed.
- B. A clean safe shelter (a minimum of a three-sided permanent shelter).
- C. Sufficient high-quality hay, concentrated feed (as needed), and free choice water and salt.
- D. Routine farrier trims, veterinary care, vaccinations, worming, and routine dental care.
- E. Safe fence and pasture (nothing loose, exposed, sharp – no barb wire).
- F. Sufficient room for exercise.
- G. A companion animal.
