

Dr. William Burrus Elementary

Pony Club Family Sponsorship Program

Burrus Elementary's PTO (Parent Teacher Organization) is a charitable group composed of parent volunteers that work closely with teachers to support the school in all areas. One of our biggest responsibilities is to fill the financial gaps that Sumner county funding does not cover.

This year, Ms. Lyles has put together a staff of talented and hard-working teachers that are personally dedicated to expanding our STEAM program and earning Tennessee's prestigious Level 5 Reward School status.

The Pony Club was created to give parents, grandparents, and relatives of students at Burrus Elementary the opportunity to go a step further with their support of the school, through a one-time gift. This \$100 tax-deductible donation goes directly into the PTO general account to fund immediate needs at WBE. This includes technology upgrades, playground equipment repairs, safety improvements and so much more.

When you join the Pony Club with your \$100 donation, you will become an elite member of the Mustang community. As a thank you, you will receive a Burrus tumbler and have your name displayed on the 2024/2025 Partners in Education wall displayed at the entrance of the school.

The deadline to join the Pony Club for the 2024/2025 school year is September 1st. Thank you in advance for choosing to join the Pony Club and supporting WBE.

BURRUS ELEMENTARY PONY CLUB FAMILY SPONSORSHIP

_____ I would like to join the PONY CLUB at Burrus Elementary for the 2024/2025 school year, and have included a payment of \$100 to WBE PTO. Please make checks payable to WBE PTO.
