

# Dr. William Burrus Elementary Pony Club

## Family Sponsorship Program

Burrus Elementary is the newest elementary school in Sumner County. It is a wonderful school and is making amazing strides in the short time it has been open. Burrus has received the distinction of being a REWARD SCHOOL multiple times in its short history. Burrus has amazing leaders in Dr. Reynolds and Jennifer Anglin. They have put together a staff of some of the most talented teachers around. We would love to support the administration, teachers and students in keeping up with the REWARD SCHOOL status and The Pony Club is one way you can personally contribute to the success of the school.

The Pony Club is a group of parents/grandparents/relatives of students of Burrus Elementary who would like to go a step further in supporting the school through a \$100 donation. This money will go directly in the PTO general account to fund purchases, such as computers, Chromebooks, new playground equipment, and more. The Pony Club was set up to give individuals who do not have a connection to be a business sponsor, a way to be an individual or family sponsor.

When you join the club by donating \$100, you will become an elite member of the Pony Club. As a thank you, you will receive a Pony Club sponsor t-shirt, which will have all of the sponsors names listed on the back. You will also have your name printed on the 2020-21 Pony Club sponsor wall which will be displayed inside the school.

Please consider this sponsorship opportunity as a way to go above and beyond without having to give up additional time. This is strictly an optional club and no parent or family member should feel like they have to join, instead only those who choose to do so.

Thank you in advance for choosing to join the PONY CLUB. We are so glad you decided to become an individual or family sponsor for our amazing school, Burrus Elementary.
