## Sponsorship Levels 2020-2021

Dr. William Burrus Elementary PTO is seeking sponsorships for our 2020-2021 school year . We would appreciate any donation you could provide for our school. We are a newer school in Hendersonville and we are quickly making a name for ourselves within the community! Burrus Elementary was honored to be named a Reward School for academic achievement and student growth. Our teachers also worked very hard for our school to become STEM certified. These 2 achievements set our school apart from other schools in the area. We would love for you to partner with us so that we can continue to advance in technology. Your sponsorship will help us provide the school with instructional and technological resources as well as staff development. Dr. William Burrus Elementary serves more than 500 students and our success depends heavily on the generosity of partners like you. The PTO at Burrus Elementary is considered a tax-exempt public charity under section 501 (c)3 of the Internal Revenue Code. Our organization's federal tax identification number is 47-3565755. No goods or services will be given in exchange for your donation. Please let me know if you would like to be a sponsor or make a donation. Thank you so much for your time!
