AT EMMAUS, 18947 BURKE ST., SOUTH BEND, IN, 46637

October 3, 10, 17, 24, 31, 2023

Tuesdays 1:30 TO 3:30 EST

LED AND FACILITATED BY: ANNE M. LUTHER

Each of us was born into an inherited “Faith Story.” That may have been within the lines of a religious/denominational tradition or within shared family/cultural values whether overtly expressed or simply lived. For everyone of us there was a kind of “web” of meaning into which we were born.

So much changes in a lifetime causing us, as part of a maturing process, to sort through all that we’ve been given, what we are learning and discovering, questioning, attracted to and wondering about. This series offers an opportunity to continue to explore with adults who are also in a process of on-going discernment. No matter our age or circumstance, continuing to explore and gain greater clarity of vision, faith and meaning, is gift and challenge - - a lifetime process of awakening.
