

What the world needs now

Hospice care of what is dying?

Midwives for what is laboring to be born?

Global hospitality?

A Day on Zoom

with

Diarmuid O'Murchu & Anne Luther

January 24, 2026. 10 to 4 PM (EST)

Moderator & Technical Assistant: Bridget Purdome

Join Diarmuid and Anne as they consider our world and its' present state and needs. An opportunity as we begin another year to reflect and discern together. What does it look like to be a person of expansive vision within an ever evolving universe? How do we reclaim imagination as we continue to move forward toward an always unknown future? What is a "spirituality of hospitality" in an extremely polarized culture and world? What, of the past, needs to be surrendered for new and fuller life to be embraced?

Participants will be invited to contribute from their own experience and wisdom in discovering practical steps to move us into a healthier, more inclusive and compassionate world.

Suggested Offering: \$50
