IMPORTANT:

The terms and conditions embodied in this permit require the permittee to complete this work by the date specified in the permit. Where the permittee fails to comply with the conditions as to completion of work by the time specified, the following rules will govern:

- 1) Failure to start work by date specified for completion: Permit will be cancelled unless permittee desires an extension of time, in which case a supplemental permit may be issued.
- 2) Work started and not completed by specified date: Permittee will notify Township, prior to expiration of allotted time, of inability to complete the work on or before the date specified and request an extension of time. Such requests shall be accompanied by the prescribed fee.
- 3) Permittee not desirous of carrying out proposed work on account of change in conditions affecting it: Permittee will notify Township prior to the date specified for completion, that work will not be carried forward, returning the permit with such notice. The fee for inspection of the work will be refunded by the Township if they have been notified of cancellation prior to the expiration date.

The fees to be paid under these conditions apply only to permits for which fees are collected in accordance with the fixed schedule. All notice relative to time extensions or cancellation shall be forwarded to the Township.

CHAPMAN TOWNSHIP ROAD OCCUPANCY PERMIT APPLICATION

GENERAL INSTRUCTIONS PERMIT REQUIRED

You must have a Highway Occupancy Permit in your possession while you work within the Chapman Township right-of-way where such work involves the following:

- 1) Construction or alteration of a driveway or local road
- 2) Installation or replacement of utility facilities or other structures
- 3) Opening of the surface
- 4) Adjusting highway slope

APPLICATION FORM

Applications for driveway, local roads or other structures must be submitted in the name of the owners of the property. Applications for utility facilities must be submitted in the name of the owner or operator of the facility.

Complete all items on the face of this form. Describe in detail what work you intend to do, how you intend to perform the work and materials you intend to use.

To avoid work delays, submit you application to Chapman Township at least 30 days prior to the anticipated start date.

This application form must also be used to apply for a change or time extension to the issued Permit. An application for time extension must be applied for prior to the permit's expiration date.

PLAN REQUIREMENTS

Submit a set of detailed plans of good quality with your application. The plans must illustrate the location and pertinent dimensions of the proposed installation and related highway features.

Traffic Control Plan:

Submit a Traffic Control Plan for all work on limited access roads and whenever it will be necessary to close any portion of the road or detour traffic to perform the permitted work.

Drainage:

Submit a Drainage Control Plan with your application if your work will result in an increase in the flow of water onto the road or into drainage facilities, or if the flow of water onto the property of some other person will increase as a result of any action authorized by the permit.

HIGHWAY OCCUPANCY PERMIT

Upon approval of this application you will receive your copy of the Highway Occupancy Permit. The issued Permit may prescribe special conditions and restriction which are in addition to the Township's regulations. Failure to comply with the issued Permit or Township's regulations could result in you being suspended from working within the Chapman Township right-of-way.

FEES

Submit a check or money order with your application, payable to Chapman Township in accordance with the fees specified. Issuance fees shall be used to defray costs incurred by the Township in reviewing and processing the application and plan, including the preliminary review of the site location identified in the application, and issuing and processing the permit.
