February 2026

Dear Brother Knights,

As we move through the month of February, a time marked by reflection, charity, and fraternity, I want to take a moment to speak directly to you—the heart and strength of our council.

Our council is not defined by our charter, our meetings, or even our programs alone. It is defined by you. Each brother, by his presence, his service, and his commitment, plays a vital role in the life and continuation of our council. Without the dedication of our members, our mission cannot grow, and our impact cannot endure.

Whether you serve as an officer, volunteer quietly behind the scenes, attend meetings faithfully, or support our works through prayer and encouragement, your contribution matters. The Knights of Columbus was founded on the principles of charity, unity, fraternity, and patriotism, and these principles come alive only when brothers choose to live them out together.

February reminds us that fraternity is not passive—it is something we build intentionally. By reaching out to one another, inviting new men to join our ranks, and supporting our parish, families, and community, we ensure that our council remains strong not only today, but for generations to come.

Thank you for your continued dedication, your generosity of time, spirit, treasure, and your commitment to our shared mission. I am grateful to serve alongside each of you, and I look forward to all that we will accomplish together in the months ahead.

May God bless you and your families, and may He continue to guide our council in faith and unity.

Fraternally yours,

Gene Fennell
Grand Knight
