“If you want to be holy, act like you’re holy.” -St Theresa of Calcutta

Dear Brother Knights and Friends,

As I reviewed the world happenings of this weekend, I abandoned my original letter and decided to write a much more succinct letter that I hope will inspire you. As you are aware, we are in the Lenten Season, and as Catholics we are called to prayer, fasting and almsgiving as a preparation to Easter.

During the remainder of this Lent, let our prayers concentrate on Peace on Earth and Good Will Towards All! The world needs Our Lord, and Saviour Jesus Christ more than ever. Let’s ask for His help, and make sure we say please in our request.

Next there is a prayer on The Halo App that is worth praying for this Lent:

Lord, please empty me.

Lord, please fill me.

Lord, please use me.

It’s short, but powerful. But, as someone once told me, “Remember, The KISS Principle”-Keep it Short Stupid; it will be easier for people to remember”! (LOL)

Finally, if you are still thinking of what you should do this Lent, it can even be simpler-

BE BETTER!

This is what we are called to do each day-pretty easy.

Brothers and Friends have a peaceful and powerful Lent!

Fraternally yours,

Gene Fennell
