DEANA SHANAHAN

The Knights of Columbus Father John G. Seyfried Council 821 is proud to recognize **Deana Shanahan** as our Honorary Honoree at our 2026 Charity Golf Outing.

As a respected local business owner, Deana has built more than a successful business—she has built a reputation for generosity, compassion, and an unwavering commitment to our community. She is known by so many as someone who is always willing to lend a helping hand, open her doors for charitable events, and support neighbors and organizations in times of need.

Deana's kindness and selflessness have made a lasting impact on countless individuals and local causes. Whether hosting fundraisers, supporting community initiatives, or quietly helping those facing difficult circumstances, she consistently demonstrates what it means to give back. Her dedication to serving others embodies the values of Charity, Unity, Fraternity and Patriotism along with compassion, and community spirit that our golf outing celebrates each year. We are honored to recognize Deana Shanahan for her outstanding generosity and the positive difference she continues to make throughout Kings Park and the surrounding community.

Congratulations, Deana, and thank you for your unwavering support, your caring heart, and your commitment to making our community a better place for everyone.

Please come out and show your support for Deana and for the Knights of Columbus. With your support we can continue with all of our charitable works.
