

Venture Equipment Teen Championship Racing (TCR)

May 28, June 25, July 16, Aug. 6, Sept. 3

IHRA has a program that allows teenagers 13 to 17 years old to compete against each other in street legal cars and trucks. This is a very inexpensive way for families to get involved in drag racing and a chance for parents to cultivate a close working relationship with their children. A co-driver will ride with the teen competitors on all runs to coach the driver and join in the fun. TCR competitors will receive an IHRA competition license, IHRA rule book, and medical insurance coverage. The racing will be in a Bracket Race format and the car/truck must run 9 seconds or slower in the 1/8th mile. Competitors can also compete in the Jr Dragster class but not any other class.

License forms are available at the track or can be downloaded from our website or the IHRA website. Call or email Gerald with any questions at 641-780-3534 or manager@eddyvillraceway.com.

Entry Fee: \$25

Trophies to winner and runner up.

This is a limited points series class. You can sign up for points at the track with our gate personal. Cost to sign up is \$15.

Points Champion will receive \$400 cash, a champion jacket, and a trophy.

Class runner up will receive \$200 and a trophy.

3rd place will receive \$100.

All awards will be given out at 2022 season awards banquet.

Class sponsor: Venture Equipment - Thanks to Rick Pitzer!
