

Eddyville Raceway Park has a few openings for seasonal part time help for the 2022 race season.

Track help:

1. EMT's that are willing to work during race events and helping in various track positions.
2. Help at Time slip booth.
3. Help at various track positions such as water box, staging lanes, etc.
4. Concessions help: Looking for persons to help in the concession stand as a cook, or cashier. Openings for weekly and part time as needed positions.
5. Gate help: Mainly looking for help on our big weekends when we have the spectator gate open. Some of our bigger events the days are long ones.

We are looking mainly for people that can work on an as needed basis, not necessarily every race day, but if interested in working most race days we have a few options for that as well.

Some jobs are much more physical than others. If you enjoy the sport, want to work in a fun environment, and want to make some extra money get in touch with us. Contact Gerald at: manager@eddyvillraceway.com or call or text him at 641-780-3534.
