Reporting Club Officers

1. From LCI Main page (www.lionsclubs.org), click on **Lion Portal**.
2. Log on to your Club's Portal site.
3. Select "Member Actions", which is to the right of your screen.
4. Click on 'Manage Club Officers'
5. A small pop-up box will appear. Click on 'Create New Assignment'
6. The next pop-up box will ask "When should this assignment begin?" Select 'the upcoming year'. Then hit the NEXT button.
7. On the next pop-up box, you will be asked "What is the Officer and Title Type for this title?". Under Officer Type, click on the small arrows on the right and select either Officer or Administrator. Do the same for the next item, Title Type, (Official or Local). Click on the NEXT button.
8. A list of your club membership will be shown and at the top you select the officer type. Once done selecting member to fill office, click on the next button. You may need to use the grey bar on the right side to slide down to find the NEXT button.
9. Always select **YES** for adding officer address.
10. Make sure the officer's information is correct, if not make necessary updates.
11. You will follow the same procedure for each of your elected officers.

WHAT DOES A ZONE CHAIR DO?

A Zone Chair connects, supports, and strengthens Lions Clubs to create greater impact—*together*.

YOU ARE THE BRIDGE BETWEEN CLUBS & DISTRICT

YOUR LEADERSHIP inspires clubs to thrive and serves your community in a bigger way.

1 COMMUNICATE

Serve as the key link of communication between your zone clubs and the district leadership.

2 SUPPORT & VISIT CLUBS

Visit each club in your zone regularly, attend meetings and events, and offer encouragement and support.

3 SHARE RESOURCES & INFORMATION

Keep clubs informed about district initiatives, training opportunities, and resources.

4 STRENGTHEN CLUBS

Encourage membership growth, leadership development, and effective service in every club.

5 IDENTIFY NEEDS & OPPORTUNITIES

Listen to club challenges and successes, then share feedback with the district to help drive solutions.

6 PROMOTE SERVICE & IMPACT

Inspire clubs to collaborate, lead meaningful projects, and increase our impact in the community.

7 DEVELOP LEADERS

Mentor club leaders and help build strong, confident leaders for the future of Lionism.

8 HOST YOUR ZONE STUDENT SPEAKER CONTEST

Plan, promote, and host your Zone Student Speaker Contest to empower youth and build confidence through public speaking.

9 COMMUNICATE WITH YOUR REGION CHAIR

If your district has a Region Chair, maintain open communication, share updates, and align efforts to support district goals.

10 ALIGN WITH DISTRICT GOALS

Support district priorities and initiatives, working together to achieve our shared mission.

**TOGETHER, WE SERVE.
TOGETHER, WE GROW.
TOGETHER, WE MAKE A DIFFERENCE.**

THANK YOU, ZONE CHAIRS—
your leadership makes a world of difference!

Club Officers for New Lions Year

As we approach a new Lions year, clubs are in the process of electing their officers. It is essential that this information is entered into the Lions Portal so that club presidents, secretaries, and treasurers can be easily contacted. Please be sure to include accurate email addresses and phone numbers for each officer. Keeping this information up to date also allows us to create a comprehensive district directory.

In today's increasingly digital environment, much of Lions business is conducted online, including billing and the payment of dues to Lions Clubs International. Maintaining accurate information in the portal helps ensure these processes run smoothly and efficiently.

If you need assistance entering your club's information, our district administrator, Lion Dakota Jones, is available to help. She can be reached by email at: dakota.jones2251@gmail.com or by phone at 573-418-5654.

Training for club officers will be held on Saturday June 13, 2026 from 9:00 AM at the Holts Summit Lions Club. If you are interested in this training, please contact Lion Dakota, whose information is above.

District Update: Learning, Leadership & Service in Action

The State Convention was a great time of learning and growth. As the 1st Vice District Governor Elect, I had the opportunity to attend leadership sessions that will help me prepare for the year ahead.

I was also honored to be invited to speak alongside M4 District Governor Rachel Harper on new club development. Together, we shared not only how to start a new club, but also how to rebuild one that may be struggling. Lion Rachel highlighted the success of launching the Cameron Crossroads Lions Club, while I shared our journey of merging a branch club and rebuilding the Camdenton/Camden County Lions Club into a stronger, more engaged group.

We were especially encouraged to have incoming International President Mark Lyon attend our session and show his support. He reminded us that we are a service organization, and that our focus must remain on service.

I truly believe that if we focus on service, growth will follow. We must be intentional, visible, and actively serving our communities. At the same time, we need to be willing to compromise, welcome new ideas, and give new members a voice. When people feel heard and empowered to contribute, we not only retain members—we grow stronger because of them.

I am also looking forward to not only visiting clubs for their meetings, but

supporting your events as well. If you have an upcoming event and would like a District representative to attend, please let us know—we are eager to help whenever we can.

I recently had the privilege of attending the Rocky Mount BBQ on May 2 and the Brazito Honey Creek BBQ on May 3. At Rocky Mount, it was great to see potential new members already jumping in to help serve—what a perfect example of service in action. At Brazito, their new Leos were right there helping, and the turnout was so strong that they sold out of food by 1:30 p.m.!

Seeing those Leos in action is a reminder of how important it is to invest in the next generation. If you know a young person in the Brazito Honey Creek area who would benefit from being part of the Leo Club, please help make that connection. And if your club has ever considered starting a Leo Club—let's do this. Getting kids involved early teaches service, builds humility, and creates a foundation for lifelong community involvement. It also opens the door to new Lions members through families who see and experience what we do.

I truly enjoy attending these events and being an extra set of helping hands wherever needed.

As we move forward, I want to continue to challenge each of you: invite one. Just one person to join you in service. If every Lion takes that step, imagine the impact we could make in just one year.

Bloom Together – Grow Through Service.

CHAMOIS

Chamois Lions Club News

The Chamois Lions Club met for their regular monthly meeting on Monday evening, April 13, 2026 at the Chamois Community Center. Fourteen Lions and five visitors were present for the dinner and business meeting. Visitors included City of Chamois Mayor Elect Shawn Mitchem, Misty Hilkerbaumer, and prospective new Lions Club members Lacey Garrett, Mercedes Durham, and Darrell Chrisenberry.

Prior to the dinner, Lion President Jason Hilkerbaumer led the Chamois Lions in the Pledge of Allegiance and offered the table prayer. The Ladies of St. Mary's Catholic Church served a delicious dinner of pork chops, Texas potatoes, green beans, fruit cocktail, dinner rolls, and cake for dessert.

Prior to the start of the business meeting, Lion President Hilkerbaumer called on Lion Steve Duncan to induct three new members into the Chamois Lions Club. Lion Duncan provided Lacey Garrett, Mercedes Durham, and Darrell Chrisenberry a very brief overview of the history of Lions Clubs International (LCI) and outlined the primary service projects of LCI, the State of Missouri Lions, Lions District 26-M7, and the Chamois Lions Club. Lion Duncan then conducted a brief induction ceremony and presented the new Lions with a membership packet to include the Lions lapel pin. Lion Garrett was sponsored by Lion Jeff Kormann and Lions Durham and Chrisenberry were sponsored by Lion Scott Mertz.

Lion President Jason Hilkerbaumer presided at the business meeting and requested that the meeting agenda be approved. The Chamois Lions voted to approve the agenda. Copies of the minutes of the March 9, 2026 meeting had previously been distributed electronically by Lion Secretary Beth Sieg and paper copies were available for those Lions who prefer paper. The Chamois Lions voted to approve the minutes. Lion Treasurer Nelson Sieg presented the financial report for the Chamois Lions general account. Due to the absence of Lion Building Co-Chairperson Randy Thoenen, there was no report on Community Center finances.

Lion President Hilkerbaumer called on Chamois Lions Club liaisons to other Chamois and Morrison civic groups for reports on the activities of those groups. Lion Jeff Kormann, who is President of the Chamois Industrial Development Corporation (CIDC), reported that the CIDC will meet next on Thursday, May 14, 2026 at 6:30 p.m. in the basement of the Chamois United Methodist Church with a continued focus on the development of a Business & Services Directory. Lion Susan Sundermeyer, who is a board member of the Chamois Historic Preservation Commission (CHPC), reported that the CHPC will again host a Spring Fling from 10:00 a.m. until 2:00 p.m. on Saturday, May 9, 2026 at the Chamois Community Center with a focus on local craft and specialty vendors and concessions available. Lions Jeff Kormann, Susan Sundermeyer, and Steve Duncan are all members of the Friends of the Chamois Cemeteries (FCC), a relatively new organization which is working on the mapping and plotting of the four public cemeteries (City, Oakland, Stonner, and Black) in Chamois, restoration of tombstones in those cemeteries, and the establishment of a perpetual care plan to ensure that the cemeteries are maintained. Lions Duncan and Kormann reported that the FCC continues to meet regularly in an effort to develop a donor database, to monitor progress on tombstone restoration efforts in both the public cemeteries and church cemeteries (Catholic Cemetery and UCC Cemetery), the installation of steps and a new fence and archway at the Stonner Cemetery, the removal of brush and tree trimming, and to plan for the May 25, 2026 dedication ceremony of a restored tombstone for Jerry Berry, who was the last Civil War veteran buried in Osage County. City of Chamois Mayor Elect Shawn Mitchem and current City Councilperson Lion Lacey Garrett reported that the City approves the removal of the batting cage at the ballpark, efforts are underway to address the repair of potholes in City streets, and there are efforts to finalize the selection of a contractor to address the reconstruction of a section of ballpark grandstand that was destroyed by a windstorm. Lion Sean Hackmann, who is a member of the Chamois Fire Department, reported that the Fire Department had responded to ten calls in March to include a 98-acre brush fire and

a major structure fire. The Fire Department has focused on training, especially with the junior fire fighters, and has received gear purchased with funds from a \$135,000 AFG grant. Grant funds are critical as the Fire Department's total budget is approximately \$50,000. Lions Steve Duncan, Susan Sundermeyer, and Jeff Kormann, who are board members of the Osage County Agritourism Council (OCAC), reported that the OCAC hosted a most successful Farm Expo held at the Loose Creek Community Center on Saturday, March 28, 2026 and reservations are being accepted for a bus tour of attractions and historic farms in the Freeburg, MO area on May 12, 2026.

Nine items of old business, special project updates, and ad hoc committee reports were addressed.

Some discussion focused on four projects within the Chamois City Park and the Community Center. There is a need for ballpark fence repairs, repairs to the shed door, and the possible removal of the batting cage. Lion Randy Thoenen will lead efforts to assess what materials and labor are needed and then schedule a work-day. Second, efforts continue to find a contractor to work on the Old Bandstand and City of Chamois Mayor Elect Mitchem offered to reach out to a potential contractor. Third, Lion Mark Mehmert will continue to look into an enclosure for the Internet router located in the Community Center. Finally, Lions Club volunteers need to paint the wall behind the stage in the Community Center and hang the new 65-inch TCL television. This TV could be used by renters to stream programs such as the Super Bowl or to show family or group videos and photographs and thus make the Community Center a more attractive venue for potential renters.

The Chamois Lions Club has for many months discussed a possible meal for the community with most recent discussion focused on a pancake and sausage breakfast that would be hosted in appreciation of community residents. This event will be scheduled for some time in the Summer.

At the March 9, 2026 meeting, the Chamois Lions voted to purchase twelve 60-inch round tables from Sam's Club or Wal-Mart for the Community Center. To date, no action has yet been taken.

Lions Jason Hilkerbaumer, Michael Edwards, Nelson Sieg, Beth Sieg, Steve Duncan, and Connie Smith led the efforts of the Chamois Lions Club to host the annual Community Easter Egg Hunt at the Chamois City Park on Saturday, April 4, 2026. Despite somewhat cool and windy weather and the appearance of a large snapping turtle, the event was a huge success. Approximately 50 children hunted for 300 eggs and were rewarded with approximately 450 bags of candy. There were two children who found the golden eggs and they were presented with a stuffed animal, a chocolate bunny, and \$10 in cash.

To conclude discussion on special projects and old business, reminders were made as to one important upcoming community meeting and one very important service project. The Community-in-Action (CIA) group that has assumed responsibility for Chamois Day will meet on May 4, 2026 at 6:30 p.m. at the Chamois United Methodist Church to continue planning for Chamois Day and all volunteers are most welcome and encouraged to attend. The Spring Chamois City-Wide Clean-Up Day will be held on Sunday afternoon, May 17, 2026 at 1:00 p.m. with all volunteers to meet on the Catholic Church parking lot. This clean-up day is particularly important as Chamois will host the Jerry Berry Civil War Memorial Dedication Program on Memorial Day, May 25, 2026 and numerous visitors are expected that day.

Six items of new business were presented and discussed.

Lion Steve Duncan reported that his son Kirk Duncan has filed the 2025 IRS Form 990-N or e-Postcard for tax year 2025 for the Chamois Lions Club. As a non-profit corporation, the Chamois Lions Club is required to file a Federal income tax return and since the Chamois Lions Club is on a calendar year financial reporting basis, the annual tax return is due by May 15 each year.

Lion Duncan next reported that Connie Warden, Advertising Sales Manager for the Unterrified Democrat newspaper, had reached out to the Chamois Lions Club in regards to a possible advertisement in a new Osage County Community Guide that will be published in May 2026. The Chamois Lions voted to purchase a ½ page ad in the new publication in an effort to publicize the club's many service projects and to promote membership.

With new Lions Club officers to be elected in May 2026 for the 2026-2027 Lions year, Lion President Hilkerbaumer appointed a Nominating Committee that will be comprised of all Past Presidents. This committee will present a slate of officers at the May 11, 2026 meeting.

Next, Lion President Hilkerbaumer remind the Scholarship Committee of their need to meet after the May 11, 2026 meeting to select Chamois High School seniors to receive the E. E. Turner Scholarship and the Chamois Lions Club Scholarship. Scholarship Committee members include Lions Lana Hackmann, Susan Sundermeyer, Randy Thoenen, and Nelson Sieg.

Lion President Hilkerbaumer reported that Osage County R-1 School has reached out to the Chamois Lions Club as a potential sponsor for an Aged Community Grant opportunity. The Chamois Lions voted unanimously to be a sponsor for this grant application.

To conclude new business, Lions Steve Duncan and Steve Cramer reported on Chamois Masonic Lodge #185's recent spaghetti supper and raffle fundraiser that is conducted under a Masonic Home of Missouri "Creating-a-Partnership" Program whereby a Masonic Lodge hosts a fundraiser to assist a local school or possibly a food bank and the Masonic Home matches funds by \$2 for every \$1 raised. This is the second year that Chamois Lodge #185 has hosted this event with the proceeds to be used for technology upgrades for Osage County R-1 School. Funds can be raised from the actual fundraiser and donations are also most welcome in an effort to receive the matching funds. The Chamois Lions Club voted to donate \$500.00 to this event in order to secure additional funds for the school.

Lion President Hilkerbaumer made two announcements and Lion Secretary Beth Sieg read one item of correspondence. Lion Jim Meyer, a member of the Hermann Lions Club and the Zone Chairperson for Zone 3 of Lions District 26-M7, will make a visit to the Chamois Lions Club for the May 11, 2026 meeting. A tentative date of June 14, 2026, which is Flag Day, has been set for the dedication of the new 40-foot flagpole at the Chamois City Park. The Chamois Lions Club is one of four sponsoring organizations for the flagpole along with Chamois Lodge #185 A.F. & A.M., Chamois American Legion Post 506, and the City of Chamois. Four 12-inch X 16-inch black granite plaques bearing the names and charter or plat dates of the four sponsoring organizations will be dedicated along with the flagpole. Lion Secretary Sieg read a letter from Jenn Millard of Central Missouri Community Action in regards to an Osage County Community Conversations meeting to be held on May 18, 2026 from 9:00 a.m. until 4:00 p.m. at Linn First Assembly. This meeting will explore Osage County in an effort to address the five pillars of poverty—employment, education, income, housing, and health. All individuals or church and civic groups are invited.

April birthday wishes were extended to Lions Connie Smith, Debby Mehmert, and Steve Duncan. Prayer concerns were expressed for Lion Connie Smith and the family of former Chamois Lions Club member Gary Reynolds, who recently passed away.

To conclude the meeting on a humorous note, Lion Steve Duncan shared three jokes entitled "Dead End", "Cash Crop", and "It's Obvious" that were provided by Lion Duane Paulsmeyer.

The next meeting of the Chamois Lions Club will be on Monday, May 11, 2026 at the Chamois Community Center. Dinner will be at 6:30 p.m. with the meeting at 7:00 p.m.

JEFFERSON CITY HOST

JC Host Lions picked up 21 bags of trash along Country Club Drive in Jefferson City. Even though MODOT has ended the Adopt-A-Highway No MO Trash program, Lions continue to serve. Environment is a Lions Club International Global Cause and it makes our community look better. As a reminder, "secure your loads" and reduce the trash on the roadways! WE SERVE!

JC Host Lions would like to thank all those that purchased Patriot Pots as part of our recent fundraiser. JC Host Lions' Patriot Pot Committee greatly appreciates all those Lions that sold Patriot Pots and worked this past weekend during the pickup process. Net proceeds are returned back to the Community via Lions Projects. Roar Lions Roar!

JC Host Lions are pleased to help fund and serve the JC Schools Safety Patrol Picnic. The Safety Patrol Picnic is a meal and awards for the work of the Safety Patrol during the school year. In 1949, the JC Lions (later the Host Lions) helped organize the "School Boy Patrol". Below are photos from the 2026 Picnic.

THE SCHOOL BOY PATROL

• In 1949, the Lions Club, with suggestions and help from the Police Department, organized the School Boy Patrol. Each year, students in the Fifth, Sixth, Seventh, and Eight Grades are selected from the Public and Parochial Schools of the city to serve as Patrol Boys during the school year. After the boys are selected, they assume the responsibility for traffic control, with the aid of traffic lights and signs, during the hour before school opens in the morning and after school is dismissed in the evening. The Automobile Club of Missouri has also given financial assistance to this project and rewards to pupils on the Patrol.

The supervision of the Patrol is under the direction of Chief of Police Claude Short, with Sergeant C. R. Duncan in charge of the Patrol. This courtesy of the Lions Club was extended a few years ago to the communities of Cedar City and Holts Summit. Approximately Five Hundred Dollars is spent yearly by the Lions Club for raincoats, helmets and belts to make these worthy boys and girls comfortable, and recognized by motorists, in all kinds of weather.

In 1963, Richard Roark, son of Mr. and Mrs. P. Roark, saved the lives of two girls by darting between them and a moving school bus and pulling them to safety. He was decorated with a special medal by President John F. Kennedy on Thursday, May 9, 1963, in a White House Ceremony. (Continued on page 66.)

SHOW ME LIONS EYEGLASS RECYCLING

The Show Me Lions Eyeglass Recycling Facility is located at 710 Sandstone in Cedar City / North Jefferson City, Missouri. Your group can help sort eyeglasses. To volunteer at the building, contact: Lion Don Soph, PDG, 314-304-5054 or email donsoph@hotmail.com or Lou Ann Hathcock, PDG, 573-338-4687 or email balloonsisters@aol.com.

Lohman Lions Alberta and Gary Zumwalt are in charge of filling orders for recycled eyeglasses for mission trips. If anyone wants to contact them to help with this task, their phone number is 573-782-3560. Also, if anyone knows of a mission group that wants recycled eyeglasses, they can submit an email request to: showmelionseyeglassrecycling@gmail.com.

SPECIAL REQUEST: We are in need of more volunteers to come to the building to work on eyeglasses - sorting, washing and reading, in order to be able to provide glasses to those that need them. Mission trips have increased and we need volunteers to be able to have glasses ready for distribution. If you cannot volunteer to work at the building but do collect glasses, you can still help. Glasses can be sorted by: readers, adult prescription, kids prescription, adult sunglasses and kids sunglasses. It would also help if the glasses were taken out of the cases, since we have no source for cases. All broken, scratched and parts-missing glasses can be separated and labeled as scrap which can be used to get money to use for shipping out the glasses for mission trips. All of this would help immensely. Thank you! – Alberta *To volunteer at the building, contact: Lion Don Soph, PDG, 314-304-5054 or email donsoph@hotmail.com or Lou Ann Hathcock, PDG, 573-338-4687 or email balloonsisters@aol.com.*
