December 17 (Wednesday) Donation Collection for Mobility Worldwide and Speaker

Please be advised the Host Lions Board has approved this request to collect the following items to be brought to the club meeting on December 17 and then taken to Mobility Worldwide. Gallon jugs washed, dried with lids are needed, walkers and canes, sewing machines and fabric of all varieties are also in need. A truck will be made available to drop these items off before and after the meeting so there is no need to bring anything into the meeting. Please consider this a part of our Christmas outreach and ask friends and family for these items and let us take a full truck load to Gary Moreau at Mobility Worldwide on the 17th.

Wednesday's speaker will be Ruth Nation a retired Music Teacher who was inspired by a tour of the Mobility Worldwide Plant and Gary Moreau will explain her subsequent travel/work with the Lion's Sightfirst Eye Hospital in Nairobi, Kenya. She will give details regarding the hospital, the distribution of Mobility Carts and Partners for Care who provide Water Safe Backpacks.
