Justin, we have reviewed the last updated preliminary plat for (Cheviot Hills Estates) that you sent on 11/30/2016. You may proceed with the Final Plat.

P.S. Just a reminder, if they ever request the un-gated roads to be maintained by the county the Islands will have to be removed.

A handwritten signature in black ink, appearing to read "Doug Nicholson", with a long, sweeping horizontal line extending to the right.
