Re: Letter of Reference

To whom it may concern

I have had the privilege to work with John McDonald for a number of years on many of his projects including his proposed Lynwood, California NFL Stadium. My time with John, while I was working at Morgan Stanley assisting in Investment Banking, was a not only interesting but I learned a lot about this man.

John is one of the more dynamic businessmen that I have had the pleasure to meet. His vision, communication skills, business presence and work ethics are among the best I've worked with. I found John to be honest and aggressive in his approach to getting the support he needed in approaching new and creative opportunities.

I welcome any calls or questions you may have concerning this reference letter.

Sincerely,

A handwritten signature in black ink, appearing to read "Dick Greco". The signature is fluid and cursive, with a large loop at the end.
