BRIDGEPOINT DRIVEWAY PROJECT

Upcoming work affecting your home.

BOARD OF DIRECTORS

Dennisse Parra	President
Carina Barcelo	VP
Manju Torres	Treasurer
Denysis Rodriguez	Secretary
Charlie Gaffney	Director

The driveway project is underway. If your property is listed below, that means there will be tree root trimming being performed, and your vehicles must be moved immediately. Not necessarily all the addresses below will be worked on the same day, therefore we ask that you continue parking in guest spots until your root trimming portion of the driveway has been completed.

This is only the “root cutback” of the project. **There will be a complete asphalt overlay that will be done once all of the street drainage in the community is completed.**

Addresses affected.

- 7081 SW 56 Street
- 7150 SW 55 Terrace
- 7091 SW 55 Terrace
- 7080 SW 55 Terrace
- 7141 SW 55 Terrace
- 7120 SW 54 Street
- 7020 SW 54 Street
- 6930 SW 54 Street
- 5430 SW 69 Place
- 5530 SW 69 Place

If your property is one of the ones listed above, you must move your vehicle to a guest parking spot. Please make sure all the vehicles are moved, otherwise the engineers will not be able to work on yours, and it will be skipped for another day.
