

THIRST PROJECT / SHOW CHOIRS FOR THIRST

Thank you for opening this letter!

Show Choirs for Thirst was started in 2017, and currently has more than 80 show choirs and competitions raising awareness and support. As of spring of 2020, we've raised nearly \$350,000 and given more than 14,000 people clean water for life through Show Choirs for THIRST!!

Thirst Project was founded by a 19-year old show choir kid from Indiana in 2008, and has raised over 11 million dollars, giving close to half a million people clean water for life in 13 countries

If your school will agree to hold at least one Miracle Minute or fundraising event during this school year, they will receive the new, original song written specifically for Thirst Project for **FREE** in SATB, SSA or SAB!! If your show choir is already a Show Choirs For Thirst group, simply request a copy and you will also get it **FREE!!** The song will be available Summer of 2020.

To register, simply communicate with me at jeff@showchoirmusic.com (so you can get your free song and shout outs!) **AND** with Damon Brown at DamonB@thirstproject.org to get instructions on how to help in a simple way that won't cost your program ANY MONEY AT ALL.

100% of money raised goes to water projects that save lives, and every \$25 gives one person clean water for life.

Thank you for your help! I'm honored and pleased to be a part of this program – you will be, too!!
