Hello, Show Choir Director!

MEDLEYS ARE NOW AVAILABLE FOR PUBLICATION ONLINE!!

ArrangeMe.com allows for medleys up to five titles to be published and purchased online!! This means that licensing that used to cost well over \$1000 and waiting times for titles to be approved are a thing of the past!! Licensing is included AND scores are downloadable at the time of purchase.

Music Arrangement Services is dedicated to increasing the quality of the arrangements offered. Over the summer, the scores on Sheet Music Plus and Sheet Music Direct will have new title pages. The vocal score title pages are light blue and include vocal ranges, and the band scores are pale yellow and include the instrument list.

When you are on a score's entry on SMP or SMD, click "Jeffrey Bowen" or "Music Arrangement Services" to see all other titles offered. When you see a highlighted title in this PDF, please search "Jeffrey Bowen [title]". Keep checking back as more arrangements are added regularly.

If you see any title on these lists that are not published, please reach out and I will check with ArrangeMe.com to see if it's available for publishing. I will guide you through the rest of the simple process.

As always, you may type "Ctrl+f", type your search word(s) in the box that appears, and you'll be able to see all entries with that search criteria.

Thank you again for all you do! If you have any questions or needs, please reach out and I'll be glad to help.

Jeffrey Bowen, Chairman
