

An Update from The Heritage Pantry

As our catering business continues to grow, we are adjusting our storefront hours so we can devote more time to private events, corporate catering, weddings and special occasions.

Going forward, The Heritage Pantry storefront will be open Thursday 11-6 through Saturday 12-4, offering a carefully selected range of freshly prepared entrées, sides, soups and family meals. Preorders are strongly encouraged to ensure availability.

From Monday through Wednesday, our kitchen will remain busy preparing for catering events and fulfilling advance orders. Catering inquiries and future bookings will continue to be accepted throughout the week.

We will continue operating from our Dundas location through the end of December, and we look forward to sharing more about the next chapter of The Heritage Pantry as our plans are finalized.

Thank you for continuing to support our small business. We are incredibly grateful to our customers and the Dundas community, and we look forward to serving you—both from our storefront and at your upcoming events.
