June 2023 Newsletter

Theme

This month we will not have a monthly theme instead we will have weekly themes, fun activities and scheduled outings all relatable to our weekly topics. We will be sure to keep up to date with our weekly discussions.

Happy Birthday

Ms. Jovinia June 24th

Friendly Reminders

The weather is changing and we will be going outdoors more often for play time. Please dress your children in appropriate clothing according to the weather. If you send your child in sandals please send an extra pair of tennis shoes for outdoor play as well as shorts to go under dresses/skirts.

During our summer months as we enjoy outdoor play we like to stay cool. One of the ways we try to stay cool is by drinking cool water and enjoying popsicles. We are asking all who can to please help us by donating water and popsicles.

Thanks in advance for your help.

June 18th is Father's day and we would like to wish all of our dads a very Happy Father's Day.

Upcoming Closures

We will be closed for our summer break July 3rd Through July 7th.

Fieldtrips

Just A Touch of Love will be attending fieldtrips throughout the summer please be sure to sign and return all permission on

time. If we are in need of a parent chaperone we will add this request on the permission slip.

Cooking With Kids

Fruit N' Yogurt Swirl Pops!

You will need:

1. 1 lb. of fresh or frozen fruit
2. 2tbsp granulated sugar (only if using fresh fruit)
3. 2c. of vanilla yogurt
4. Popsicle or ice pop molds
5. 10 popsicle sticks

Directions:

1. Using a food processor or blender, puree the fruit (and add sugar if using fresh fruit) until smooth. Pour into a resealable bag or squeeze bottle.

2. Spoon the yogurt into a resealable or squeeze bottle. If using resalable bags, snip off a corner from each.

3. Alternately squeeze the yogurt and puree into the molds to create swirls.

4. Insert sticks and freeze overnight.

5. After they have being frozen overnight Eat and Enjoy!
