Introduction

Welcome to Niangua Hills Resort! We know you have a lot of options when choosing accommodations at the Lake and we are honored you chose to stay with us.

Robby & Amanda, resort owners, purchased the property in March 2022. We love the property for so many reasons but its rich history & Ozark-style architecture is what immediately drew us in. Originally named Singing Hills Resort, then later Irish Hills Resort, the property dates back to the 1940s & 1950s, shortly after the Lake of the Ozarks was formed and tourism began hitting the area at a staggering rate.

Immediately after the purchase, we began an extensive renovation. Each cabin was fully renovated with all new kitchens, appliances, bathrooms, flooring, shiplap walls & furniture. It's been nothing short of a labor of love and we hope you find all our improvements to be just what you hoped. We love to see guests return again, with tales of how wonderful their time here has always been!

Thanks again for coming and we hope you enjoy your stay!

The Laundry Room is attached to Cabin #2 and the Linen Bags are located on the shelf, just as you enter the room.

Refrigerators

The refrigerators in each cabin were purchased new in 2022 & 2023. Please note that when the refrigerator is suddenly filled, it will take some time to catch up on cooling and may feel like it's not cooling immediately. Please give the refrigerator time and if it still doesn't seem to be working correctly, make sure the breaker has not flipped. If that still doesn't provide a solution, notify the resort after at least 24 hours since check-in.

Boat Rentals

Montego Bay Marina

573-348-4911

www.montegobaymarina.com

info@montegobaymarina.com

Montego Bay Marina is located just across the cove from the resort. Rentals offered are fishing boats, pontoons, speed boats and wave runners.

We recommend calling in advance to reserve during the summer months, as boat rentals do sell out quickly.

LakeRunners Boat Rentals

573-480-3080

www.lakerunnersboatrentals.com

LakeRunners Boat Rentals offers guests the ease of delivery! When you contact LakeRunners, they will coordinate boat delivery to our property.

Daily & weekly rentals available, plus discounts for additional days rented!

Boat Slips, Ramp & Trailer Parking

We encourage guests to observe the boat ramp prior to backing down the road to the ramp, as it is somewhat steep. Additionally guest parking may vary and it is helpful to have a plan.

Niangua Hills Resort offers guests a large lot for boat trailer parking. Leaving trailers in the lot helps decrease parking congestion on the resort property.

Ramp & Slip use is included with your stay. Please do not put money in the ramp box, as that is only for non-resort guests.

SLIPS ARE AVAILABLE ON A FIRST-COME, FIRST-SERVE BASIS. THERE IS NO NEED TO CALL THE RESORT, REQUESTING AN ASSIGNED SLIP.

Please note: During spring, the lake water level is low. If you are planning to visit in the springtime, our alternate option for launching your boat is located just across the cove at Montego Bay Marina. Water levels typically start rising again in mid to late April but water levels cannot be guaranteed.
