

HCPM LLC

Capability Statement

ABOUT US

Hill Country Project Management LLC offers IT Staff Augmentation Contract services and Deliverables-Based IT Solutions. As a **certified Texas HUB**, HCPM curates and presents resources of any technical or professional skill class for projects requiring specialized supplemental experience.

DIFFERENTIATORS

CERTIFIED: HCPM was founded by Ron Levi PMP®, a senior certified program management consultant with over 20 years of experience delivering industry-agnostic IT infrastructure and application development projects at all levels of public and private industry.

TOTAL SOLUTION: HCPM is an authorized value-added reseller of Microsoft, Dell, Logitech and other trusted brands. Service solutions and hardware can be sole-sourced, delivered and supported by Hill Country Project Management.

TEXAN: Our workforce is global and can work on-premise as well as remotely. We are **100% American-owned and operated**, our personal residence is in **New Braunfels** and our family members serve Texas in the law enforcement, health, and technology fields.

PAST PERFORMANCE

DIR-CPO-5738, DIR-CPO-5486, DIR-CPO-5441, DIR-CPO-5228
