PARENT CODE OF CONDUCT

Parents are expected to adhere to principles of behavior as outlined below:

- Behave responsibly, upholding values of fair play, integrity, open communication, and mutual respect.
- Model positive behavior, ensure their child does the same and take responsibility for their child's conduct and attitude on and off the court
- Treat players, coaches, team managers, officials, volunteers and property with respect. Offensive, profane, sexist, racist or abusive behavior is strictly prohibited.
- Parents must avoid conduct that could damage the club's reputation,
- Emphasize sportsmanship and teamwork. Ensure to cheer on all players from the team and be respectful when cheering against opponents.
- Communication: if a parent would like to discuss a specific incident or concern with a coach, they must wait the cool down period (recommended 24 hour wait period) before reaching out. The parents must ensure discussions are respectful. All our coaches are volunteers and give countless hours of their personal time. Exceptions for emergency situations are permitted. Coaches should not be approached during practices and tournaments to have these discussions.
- Support their health and overall mental and physical well-being. If any medical or physical limitations exists, please share relevant and timely information with the coach.
- Support their child's progress by encouraging the athletes on and off the court. Please refrain from coaching on the sidelines as that often leads to mixed messages and confusion for the athlete.
- Parents must not use or provide alcohol, drugs or performance-enhancing substances to any athletes.
- Promptly confirm status of participation (Going, Not going, Maybe) through TeamLinkt App to allow the coach to properly plan practices, line ups, etc.

- Keep informed with the communications through the Teamlinkt app. This is the Club's primary method of communication. Checking in periodically on the app will ensure you don't miss valuable information.
- Respect the facilities we utilize. Food and open beverage containers are not permitted in the gym space. Outdoor shoes cannot be worn in the gym space, they have to be taken off prior to stepping foot on the gym floor (no exceptions).
- Support our club and your athlete's team by volunteering to be a team manager, coordinating fundraising or learning how to do score sheets.
