The dinner and service that we received on the night of our event was excellent. I also wanted to thank Andrea who provided excellent assistance throughout the organisation of our event.

*Diana O'Rourke - Queensland University of Technology*

I just wanted to send some feedback on Alex, Jessie and Brandon, who all played a role in providing the catering/service at QACS last week. Alex continually checked to make sure all was in order and both Jessie and Brandon worked really hard to ensure that the food organisation and hot drinks were running smoothly. Brandon, who I worked with in particular as he covered lunch and afternoon tea, already had a good rapport with many of the attendees through working on site already
