

A MONTH OF NEW BEGINNINGS AND CHERISHED MOMENTS

Dear ARCians,

As Director of our school, I write to you with a heart full of gratitude and emotion. January brought with it reunions, achievements, and deeply personal moments that reminded me—and all of us—of the tender cycles of life: loss, love, and renewal. I wish to share those reflections and to outline our plans for February with warmth, clarity, and hope.

January felt like a soft, welcome hug after the winter break. It welcomed us back with open arms, the laughter of students echoing through the halls after a well-deserved Winter Break. It was a month that beautifully underscored the cyclical nature of life, where endings pave the way for new beginnings.

Corridors filled with laughter, classrooms hummed with curiosity, and the school returned to its lively rhythm. We delighted in seeing friendships rekindled and routines reestablished—a reminder that our school community is, above all, a family.

JANUARY REFLECTIONS

The **Vasant Panchami Celebration** at our School Temple was a serene and auspicious start to the season of spring. Gathering to seek the blessings of Goddess Saraswati for wisdom, knowledge, and artistic expression was a beautiful reminder of the spiritual and cultural roots that nourish our learning environment.

Our **Republic Day Celebration** was a powerful display of patriotism, uniting us in pride for our nation. Witnessing the students' passion and respect for our country was truly inspiring.

The school buzzed with energy during the **Food Stall**, a testament to the remarkable creativity and teamwork of our Grades 5-8 students. Their vibrant offerings were a delicious success!

Our **Student-Teacher Exchange Program** further enriched our community, fostering deeper bonds and a shared passion for learning.

The **Students' Project Exhibition - 2 (Science)** was a dazzling showcase of young scientific minds, brimming with innovation and curiosity.

On a personal note, the birth of my daughter following my father's passing has been a poignant reminder of renewal and hope. It's a cycle that has touched me deeply, and I share it with you to encourage us all to support one another with kindness and empathy. Our school family has been my anchor, and I am grateful for the warmth you've shown.

SPECIAL ACKNOWLEDGMENT

I appreciate the wonderful presentation and organizational skills of our teammates, who worked diligently to make our **school exhibition** a success. Your teamwork, creativity, and enthusiasm have made a significant impact, and I am proud to be part of such a talented and driven group.

Let us remember that every challenge we face — whether academic, emotional, or personal — is an invitation to grow. And every victory — big or small — deserves celebration.

January taught us that school is not only a place of lessons on paper, but a living space for human stories — for resilience, for sharing grief, and for celebrating hope.

To Sonu Sir and Akash Sir — words cannot fully capture the depth of our thanks. Your support during the final days of our project “*Machinon ke Yug me Mitati Mitti*” went beyond mentorship. When I was struggling under the weight of personal grief, you stayed late — past 1:30 AM — not out of obligation, but out of care. You didn't ask if I was okay. You simply showed up. That act of kindness — quiet, steadfast, profound — restored my faith in people, in purpose, in community.

February Ahead: Embracing Growth and New Chapters

As we move forward, carrying the lessons and emotions of January, February beckons with a schedule designed for continued growth, learning, and shared experiences.

DATE	EVENT	DETAILS
Feb 4, 2026	Shab-e-Barat	Holiday

We are also delighted to announce that **Admissions for the upcoming academic session are now open!** We invite prospective families to join our nurturing community and experience the unique educational journey we offer. Please visit the school office or our website for more details.

As we move from January's gentle reunions and profound moments into a busy, promising February, we carry with us gratitude for community, compassion for one another, and excitement for what we will build together. Whether celebrating achievements, supporting a family through loss and renewal, or preparing for exams and new facilities — every step is part of our shared story.

Thank you, families, students, and staff, for your continued dedication, kindness, and resilience. Let us step forward into February with hope, focus, and the same warm togetherness that defines our school.

With a heart full of hope for all our new beginnings,

Warmly,

Amitosh Kumar
