

Data Sciencing Consultants

We're a professional business intelligence firm, that helps sophisticated companies remain competitive
Services offered include:

Microsoft Excel Spreadsheet Mentoring

If you have a challenge with your Microsoft Excel spreadsheets, you can book an appointment with us. Over Zoom, we'll guide you through the process to overcome your challenge. Prices are \$50.00 per session.

Data Visualizations

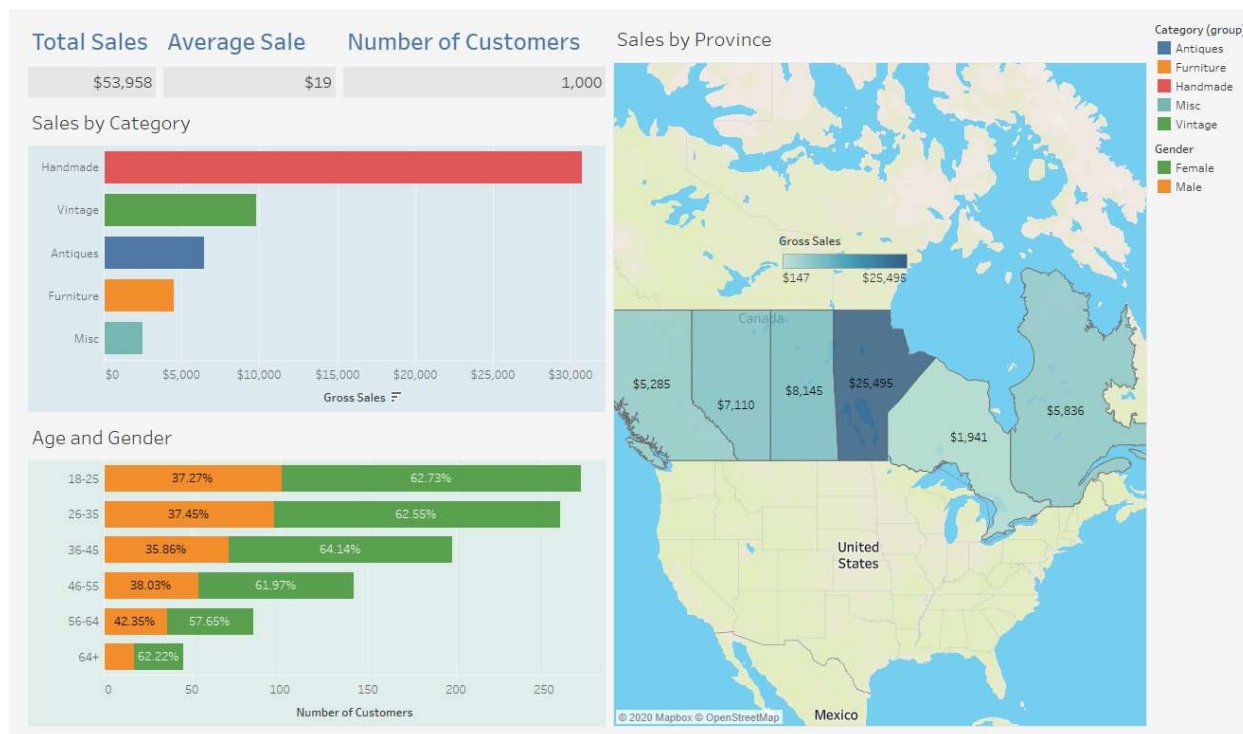

Using modern techniques and strategies we will create productive data visualizations (charts, graphs, etc.) for presentations and reports. Creating an improved experience for your audience and clients. Prices start at \$50.00.

Data Science Consulting

Typically, a Data Science project consists of data analysis and developing actionable insights. Helping you understand what is happening in your company. For example: Figuring out what metrics are useful to track. Prices start at \$250.00.

Designing Dashboards

Designing sophisticated, interactive dashboards for your business. Analyzing, and viewing even small bits of information can help you make more effective business decisions. Also, interactive dashboards can be used for data mining, to explore new insights for your business. The image below is an example of what an interactive dashboard can look like. On the actual dashboard you can easily click to filter by region on the map, categories, ages, etc. Prices start at \$250.00.

Contact us to discuss if our services are right for your company. To help you spend more time on aspects of your business and life that you enjoy.

Best Regards,
