

ROADRUNNER REPORT

New Mexico Church Planting

Tim & Laura Carte serving with DirectLine Ministry
"How beautiful are the feet of them that preach the gospel..." Romans 10:15

July and August 2025

Ministry

We had a wonderful time leading a mission team from our sending church to start remodeling a classroom at the DLM training center in Saltillo, Mexico. The team encouraged five small churches. We were able to help with preaching, teaching, singing and evangelistic efforts. The Lord used this effort to be a blessing to the Mexican pastors. Please continue to pray for these new church plants.

Training

The opportunity I recently had to help train God's people was at a four-year-old church outside of Saltillo, Mexico. I was able to teach some new converts from God's word about what to do concerning the problems the Lord allows in their lives. Many times, these believers got discouraged and because of that the Devil took advantage and they stopped maturing and serving the Lord in their local church. Several let me know that it was encouraging to see that they did not have to run from their problems and get discouraged but could trust in the Lord and go forward.

Gospel Advance

The mission team in Mexico was able to pass out over 2000 gospel scriptures. Many people heard the gospel. We were evangelizing very busy areas of the city and in a market, so it was difficult to speak with someone for a long time. Please pray that the Lord would use these gospel scriptures for salvation as they are read. God is using the Directline Ministry distribution in Mexico. Over 12,000 gospel scriptures and tracks were mailed to two pastors last month. One pastor is planting a new church in central Mexico, and the other pastor is evangelizing rural areas and has a newer church plant in the city. Over 200 Bibles were also mailed out to various churches for new converts. Pray that the Lord will continue to use the gospel scripture distribution to encouraged pastors and churches in Mexico.

New Mexico Church Planting

We are on our way to survey an area in the state of New Mexico. Please pray for us that the Lord will show us exactly where he would have us to go in order to plant the church. We're planning on distributing 1000 gospel video cards. We will visit several needy areas, speak to several pastors, and continue to follow the Lord as he directs our paths. I will give a full report of what God is doing in the state of New Mexico in our next letter. Thank you for your faithful financial and prayer support.

PLEASE PRAY AND HELP GET THE GOSPEL TO CHILDREN IN MEXICO THIS CHRISTMAS

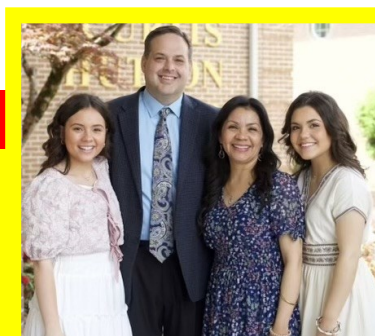

Reopening the DLM facility in Mexico is a step of faith and we have seen the Lord provide for the distribution. Thousands of gospel Scriptures have been distributed, and Directline Ministry has started another gospel effort using Christmas Joy Bags that can no longer be taken across the border. We are asking the Lord to provide us 1000 Christmas Joy Bags for church plants and small churches to hold evangelistic meetings this Christmas in Mexico. We need your prayers and partnership to see this a reality. We estimate that over 4000 people will hear a clear presentation of the gospel this year. We desire to do all we can to get the gospel to the 33 million children in Mexico. Would you please pray and choose one of the following ways to help?:

Give a one-time offering of \$300 or more to help make the Gospel Joy Bags for Mexico.

or

Make 50 Gospel Joy Bags. You can contact our office in Statesboro, GA for more information. (502 264-7763) directlineministry.com
