New Mexico Church Planting

May & June 2024

Ministry

We were able to present our church planting burden in West Virginia and Tennessee during these months.

20%

Several new churches have voted to begin to support us. Our current support is around 20% and growing.

Thank you for your prayers and support. We also preached several

times at the Family Conference of Grove City Baptist Church in Knoxville, TN. The Lord spoke to many hearts and the altar was full during every service.

Gospel Advance

Our immediate gospel advance is in Mexico. We now have around 200,000 pieces of gospel literature at our distribution and training center in Saltillo, Mexico. We also have had several churches give a \$300 offering for the 500 Gospel Joy Bags for new church plants in Mexico this Christmas. If you would like to help, please contact us. Please pray that the Lord will continue to open effectual doors so that the 33 million children will hear the gospel in Mexico.

Church Planting

America is a great mission field. 7000 churches are closing each year in America. There are 3.66 million births each year in America. The population of America is made up of 335 million souls. There are pockets of lostness in every state of America. There is no significant growth in Bible Colleges or Seminaries. Over 300

foreign unreached people groups live in America. The projected growth in Christianity is only 1% for America.

The average church attendance is only 66 people per

church. This is one of the greatest gospel opportunities in the World! America was colonized by Christians but today is the day the U.S.A. needs to be evangelized! Pray for revival and

that the Lord will help us raise the needed support to move to New Mexico. Keep up with our progress at thecartefamily.com.

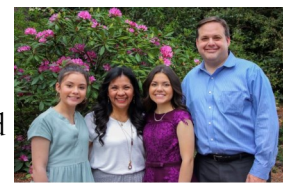

Training

The desire to train others should not succeed the desire to prepare to train

others. We must prepare our property in Mexico in order to initiate a greater training effort. The DirectLine Ministry team will be traveling to Mexico at the first of October to prepare the apartments and dormitories. We plan on having teams come down to further prepare the property for gospel distribution and the training of gospel workers. Please pray that we can get the property ready by the end of this year. This property is in the middle of 3 major cities of which there is a population of around 8 million people. I will be keeping you up to date on social media as we move forward step by step.

Thank you for your prayers and support. Tim Carte Acts20:24
