

Novembre & December 2024

Ministry

We finished this year with the reopening of the DLM distribution and training center in Mexico. The DLM team was able to prepare 500 Gospel Joy Bags for Children and distribute them to 5 churches. Two of these churches are new church plants. Hundreds will hear the gospel through this effort and churches will be strengthened. I just got word that a pastor in Mexico has requested 25 boxes of gospel scriptures and tracts. He will easily pick this up from our storage today in Mexico. We are thankful to all the churches that have made this possible. Next year we are planning several mission trips to begin the remodeling efforts on the property. Please pray about your part in getting involved in our world-wide Christmas Joy Bag effort to advance the gospel. You can find information at DIRECTLINEMINISTRY.COM.

Gospel Advance

We are assisting persecuted Christians in Mexico. A group of Christian have been pushed out of their town and have established themselves in the wilderness. They faced religious persecution from another religion. After eight years of struggle, they decided to leave. Along with other churches, we are sending them supplies and Joy Bags for the children. There will be a new church established to reach the surrounding area with the gospel. We also are planning to help supply gospel literature to seven new church plants in one of the neediest states of Mexico. The Honduras container will arrive on December 12. There are 15 churches that will receive the gospel scriptures and work to evangelize their communities in hospitals, schools, and businesses. Thank you for your prayers and support for this project.

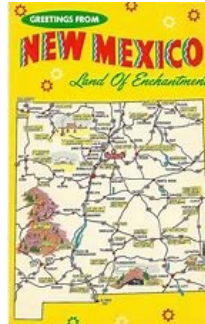

Training

I will be traveling to Honduras at the end of February to represent DLM in the arrival and distribution of the gospel literature in the container. I will be teaching in the Bible College for 5 days, preaching in several churches, helping coordinate a gospel effort in 50 public schools and recruiting interns that would like to train in Mexico. The cost of the tickets, hotel and travel for this trip will be \$1500. This will be one of several trips I will have next year. Please pray and help me raise the needed funds for this trip. All offerings can be sent to Missionary Tim Carte C/O DirectLine Ministry, PO BOX 38 Statesboro, GA 30459 Memo: Tim Carte Honduras.

Church Planting

We are planning our next survey trip to the state of New Mexico. We trust that the Lord will show us exactly where to go. Everything that the Lord is doing in an individual life is not separate from what He is doing in the world. God did not create the church and give it a mission. God started His mission on earth, and created the churches to accomplish His mission for today. We are trusting the Lord to provide the needed support for us to move to New Mexico. Satan has fought us each step of the way. There is no doubt in my mind that Satan tried to hinder us during my emergency surgery. It slowed us down for a few months but thank the Lord we are going on. My pastor always would encourage us to finish the year strong. He wanted us to be faithful and not just give up during the holidays. This year, the Lord showed me that in order for me to finish strong, I will rest on Him. We can rest on His infinite power, infinite love and infinite wisdom. Thank you for your prayers and support. *"But I would ye should understand, brethren, that the things which happened unto me have fallen out rather unto the furtherance of the gospel."* Philippians 1:12
